## Operation Manual

model  
**SF300**

ISEKI & CO., LTD.

### INTRODUCTION

Thank you very much for purchasing an ISEKI tractor.

This operator's manual provides the information necessary for operating and maintaining your tractor safely and properly. The contents are mainly composed of the following two items:

- Safety instructions:** Essential items which you should observe while operating the tractor.
- Technical instruction:** Items which are necessary to operate, adjust, and service the tractor properly.

Before starting to operate the machine for the first time, you should read this operation manual thoroughly and carefully until you are sufficiently familiar with the operation of the machine to do jobs safely and properly. The manual should be kept in a handy place so you can refer to it when required. You are advised to refer to it from time to time to refresh your understanding of the machine.

Paragraphs in the manual and labels on the machine which are accompanied by a warning mark contain particularly important information about safe operation to avoid accidents. You should always keep precautions in mind and follow them during operation.

---

**Be sure to wear  
personnel protective equipment  
during operation!**

---

---

All illustrations, dimensions, and specifications contained in this manual are based on the latest information available at the time of publication. The right is reserved to make changes at any time without notice.

The word "TRACTOR" means a combination of the tractor (unit) and the implement (trawl).
