

MEAL

1

MONITORING

Monitoring is a process of observing and tracking activities and progress. It is a critical component of any successful project, intervention, public policy or program.

2

EVALUATION

Evaluation is a critical component of monitoring and evaluation (M&E) that involves assessing the success, impact, and effectiveness of projects, programs, and policies.

3

ACCOUNTABILITY

Effective accountability ensures that individuals and organizations are responsible for their actions and decisions, and that resources are used efficiently and effectively.

4

LEARNING

Effective learning in M&E involves establishing a culture of continuous improvement, where data is regularly collected, analyzed, and used to inform decision-making.

Humanitarian Aid and the European Union Irene Morlino, 2026-04-29

This book critically examines the effectiveness of EU humanitarian aid delivery in the wake of multiple crises Focusing on four primary case studies Myanmar Lebanon Mozambique and Mali which present distinct crisis types complex human made and natural it reveals why the effectiveness of EU humanitarian aid programmes varies in relation to pre established objectives Drawing on extensive interviews and official documents from UN EU and NGO officials the book introduces an innovative multidimensional theoretical framework conceptualising effectiveness beyond goal attainment encompassing needs assessment the seamlessness of the policy cycle and the transition between humanitarian and development aid The book argues that EU humanitarian aid effectiveness is primarily influenced by institutional relational and political factors rather than by the type of crisis or funding gap In particular the attitudes of national authorities toward donors and implementing agents are the most decisive factors followed by the quality of coordination among donors and agents The book ultimately suggests that adopting a holistic resilience first approach that integrates humanitarian and long term development goals creating integrated funding instruments that enable comprehensive responses from the outset and fostering collegiality and formal and informal relationships among staff can lead to greater overall effectiveness This book is of key interest to scholars students and practitioners in EU foreign policy humanitarian aid development studies and more broadly to International Relations and policymakers
