What's special about Penguin Active Reading?

- Beautiful illustrations, photographs, maps and diagrams help to bring the stories alive and reinforce meaning
- Integrated activities help your students think about the story/text in advance, check comprehension, learn new vocabulary and practise key grammar structures
- Outside the classroom – a bank of ideas for project work, as well as a great range of background information on related themes
- Student motivation – a fully-interactive CD-ROM (includes complete audio recording) and supporting website complement the activities contained in the book
- Help with testing – an unbeatable choice of activities in the book and on the CD-ROM

An exciting new series which provides reading and language learning at five levels. As well as enjoyable stories and texts, each book provides a range of integrated activities designed to develop reading skills, consolidate vocabulary, and offer personalised project work. Each book is supported by a CD-ROM which contains additional activities and the complete audio recording.
