Self-Defense in Mexico Luis Hernández Navarro,2020-03-02 In Mexico and across other parts of Latin America local Indigenous peoples have built community policing groups as a means of protection where the state has limited control over and even complicity in crime and violence Luis Hernández Navarro a leading Mexican journalist offers a riveting investigation of these armed self defense groups that sprang up around the time of the 1994 Zapatista uprising in Chiapas Available in English for the first time the book spotlights the intense precarity of everyday life in parts of Mexico Hernández Navarro shows how the self defense response which now includes wealthier rancher and farmer groups is being transformed by Mexico's expanding role in the multibillion dollar global drug trade by foreign corporations extraction of raw minerals in traditionally Indigenous lands and by the resulting social changes in local communities But as Hernández Navarro acknowledges self defense is highly controversial Community policing may provide citizens with increased agency but for government officials it can be a dangerous threat to the status quo Leftists and liberals are wary of how the groups may be linked to paramilitary forces and vulnerable to manipulation by drug traffickers and the government alike This book answers the urgent call to understand the dangerous complexities of government failures and popular solutions

Otra manera de ganar** Guillem Balagué, 2013-04-11 Pep Guardiola Otra manera de ganar es la primera biografía internacional de Pep Guardiola y un éxito de ventas en el mundo anglosajón El presente libro explica cómo el entrenador del Barcelona consiguió un éxito extraordinario de títulos cómo cambió el fútbol a la vez que obtuvo éxitos y cuál era su verdadera relación con los futbolistas clave durante los maravillosos cuatro años en que estuvo a cargo del mejor equipo del mundo quizá de la historia Pero es mucho más El autor la cara del fútbol español en el Reino Unido consiguió conversar con Guardiola cuando Pep no concedía entrevistas y charlaba con las personas más influyentes de su entorno y con los principales futbolistas del Barcelona además de entrenadores y jugadores rivales que sufrieron el talento blaugrana Entre ellos sir Alex Ferguson que pese a perder dos finales de la liga de campeones contra el Barcelona admira a Guardiola Pero para Pep el triunfo iba acompañado de cierto drama personal cada partido era uno menos en la vida nunca sintió ser lo suficientemente bueno en su trabajo sus disputas con Mourinho le hicieron daño y padeció enormemente tomando decisiones Por eso es también otra manera de ganar The assistant manager of football Denis Silva Puig, 2020-04-15 The assistant manager has existed for decades and is a standard figure within the coaching staff with specific roles functions and responsibilities However I find it strange that nobody has yet described this profession formally I used to only be a team manager until one day I was proposed to be the assistant manager of U18 team of FC Barcelona That is when I started thinking about writing this book moved by my desire to continue learning If I wanted to train in my new role I could only do it by asking others and observing training sessions But I was missing one of the pillars that has forever supported my training studying and reading With this book I hope to cover that lack of information The book is divided into two parts the first is based on describing the assistant manager in professional football and I have not found a more practical way to do it than through interviews with assistant managers Each interviewee has contributed his experiences from working with the most recognized football team managers I am talking about people who have worked with Vicente del Bosque Ernesto Valverde Luis Enrique Pep Guardiola Mauricio Pochettino Sergio González Quique Sánchez Flores and Paulo Sousa The second part of the book is related to Youth football which I have experienced in clubs like Atlético de Madrid and FC Barcelona I propose the role of the assistant manager working in Youth football to be more formative and educational than what is currently given and I want to direct their effort towards two dimensions the team's sporting performance which the vast majority do and the individualized analysis of the young player which very few do This second dimension is described in the last chapter to demonstrate a new vision of assistants in Youth football who in my view have to dedicate their time to improving the players as an athlete and as a person in a more personalized and integral way **Pep Guardiola** Guillem Balagué, 2020-12 Vietnamese edition of the biography of the legendary soccer coach Pep Guardiola who after being appointed first team

manager in 2008 he transformed Barcelona into arguably the greatest club side of all time winning thirteen trophies in four years and he won the Double twice in his three years in charge of Bayern Munich Vietnamese translation by Viet Cuong
