Flawed Kate Avelynn:

Flawed Kate Avelynn, 2012-11-20 Sarah O'Brien is only alive because of the pact she and her brother made twelve years ago. James will protect her from their violent father if she promises never to leave him. For years she's watched James destroy his life to save hers. If all he asks for in return is her affection, she'll give it freely. Until, with a tiny kiss and a broken mind, he asks for more than she can give. Sam Donovan has been James's best friend, and the boy Sarah's had a crush on for as long as she can remember. As their forbidden relationship deepens, Sarah knows she's in trouble. Quiet, serious Sam has decided he's going to save her. Neither of them realizes James is far more unstable than her father ever was, or that he's not about to let Sarah forget her half of the pact.

Rules of Survival Jus Accardo, 2014-06-02 A new adult novel from Entangled's Embrace imprint. If you want to survive, you have to follow the rules. Mikayla Morgan is wanted for her mother's murder. She's been on the run for almost a year now, avoiding not only the police but the real killer. Tired of running and desperate to clear her name, she breaks one of the most sacred rules: never return to the scene of the crime. Every bounty hunter on the Eastern Seaboard is after the Morgan girl, but Shaun Denver and his partner snagged her. She's a piece of work, and Shaun can't decide if he wants to kiss her or kill her. When things take a sharp turn south, Shaun does the only thing he can think of to keep her close: he handcuffs them together. As the danger mounts and the killer closes in, the chemistry between them threatens to explode. Shaun and Kayla will need to break all the rules if they hope to get out of this alive.

Flawed Oliver T. Spedding, 2024-02-16 Edward Horner was born with a silver spoon in his mouth, but the spoon is tarnished as he suffers from a debilitating lack of self-respect and self-confidence. This has dire consequences for him in his later years as he squanders his inherited fortune due to his irrational determination to prove himself. It also creates an inability to confidently implement his own creative ideas. Edward's marriage to Cynthia fails as he avoids the responsibilities of marriage and fatherhood. His relationships and the various enterprises that he attempts to establish all fail as a result of his lack of self-confidence and his failure to be forceful about his opinions. Frustration at his helplessness and fear of failure become his constant companions. Coupled with this is his failure to provide for his old age due to his incessant unrealistic imaginings of success and wealth. Dream follows dream until suddenly there is no time for another dream. As Edward's deteriorating financial status gains momentum, he becomes the victim of his own naive and desperate behaviour. The position

of weakness that he constantly finds himself in adds to his frustration and despair. Belatedly he begins to see the error of his ways but is incapable of changing the debilitating self image and lack of confidence that he has been burdened with during his lifetime. Edward's failure isn't solely of his own making though.
