Isis Papers:

Black, Quare, and Then to Where Jennifer Susanne Leath, 2023-10-20 In *Black Quare and Then to Where* Jennifer Susanne Leath explores the relationship between Afrodiasporic theories of justice and Black sexual ethics through a womanist engagement with Ma't, the ancient Egyptian deity of justice and truth. Ma't took into account the historical and cultural context of each human's life thus encompassing nuances of politics, race, gender, and sexuality. Arguing that Ma't should serve as a foundation for reconfiguring Black sexual ethics, Leath applies ancient Egyptian moral codes to quare ethics of the erotic, expanding what relationships and democratic practices might look like from a contemporary Ma'tian perspective. She also draws on Pan-Africanism and examines the work of Alice Walker, E. Patrick Johnson, Cheikh Anta Diop, Sylvia Wynter, Sun Ra, and others. She shows that together these thinkers and traditions inform and expand the possibilities of Ma'tian justice with respect to Black sexual experiences. As a moral force, Leath contends Ma't opens new possibilities for mapping ethical frameworks to understand, redefine, and imagine justices in the United States. *The Isis (Yssis) Papers* Frances Cress Welsing, 1991. A collection of 25 essays examining the neuroses of white supremacy. Copyright Libri GmbH. All rights reserved.

A Road Unforeseen Meredith Tax, 2016-08-01. A secular feminist army courageously challenges the Islamic State. In war-torn northern Syria, a democratic society based on secularism, ethnic inclusiveness, and gender equality has won significant victories against the Islamic State or Daesh, with women on the front lines as fierce warriors and leaders. *A Road Unforeseen* recounts the dramatic, underreported history of the Rojava Kurds, whose all-women militia was instrumental in the perilous mountaintop rescue of tens of thousands of civilians besieged in Iraq. Up to that point, the Islamic State had seemed invincible. Yet these women helped vanquish them, bringing the first half of the refugees to safety within twenty-four hours. Who are the revolutionary women of Rojava, and what lessons can we learn from their heroic story? How does their political philosophy differ from that of Iraqi Kurdistan, the Islamic State, and Turkey? And will the politics of the twenty-first century be shaped by the opposition between these political models? *The Isis*, 1903. *Racial Paranoia* John L. Jackson, Jr., Richard Perry. University Associate Professor of Communication and Anthropology. John L. Jackson, Jr., 2010-10-19. In this courageous book, John L. Jackson Jr. draws on current events as well as everyday interactions to demonstrate the culture of race-based paranoia and its profound effects on our lives. He explains how it is cultivated and reinforced and how it complicates the goal of racial equality. In this paperback edition, Jackson explores the 2008 presidential election, weaving in examples ranging from the notorious New Yorker cover to Saturday Night Live's political parodies. *The Isis (Yssis) Papers* Frances Cress Welsing, 2004. During the course of the struggle of African people against European racism, brutality, and domination, many innovative thinkers have risen from our ranks. The greatest and most courageous scholars have devoted their lives to the pursuit of an explanation for the virtually inherent animosity most white people appear to have toward people of color. Unlike her predecessors, Dr. Frances Cress Welsing, a brilliant Washington, D.C. psychiatrist, has rejected conventional notions about

the origin and perpetuation of racism Dr Welsing s theories lectures and scientific papers have provoked controversy for over twenty years Now the compilation of her work in this book is destined to change the course of history Page 4 of cover

Hip-Hop Revolution in the Flesh G. Thomas,2009-02-16 An extended study of the writings of Lil Kim the multi platinum selling Hip Hop artist Examines Lil Kim s anti sexist gender defiant and ultra erotic verse alongside issues of race and the politics of imprisonment This is the first study to apply the tools of literary criticism to Hip Hop s lyrical writings
