Parliamentary Papers Great Britain. Parliament. House of Commons,1918

Preparing to Deliver the 14-19 Education Reforms in England Great Britain: Parliament: House of Commons: Committee of Public Accounts,2008 The 14 19 education reform programme aims to increase young people s participation in education and training beyond age 16 and raise their educational attainment Central to the programme are new Diploma qualifications being introduced between September 2008 and 2013 in 14 different occupational areas that offer a blend of academic and vocational learning This report examines giving all young people access to Diplomas reducing complexity and communicating simply and having the capability to deliver the reforms The Department for Children Schools and Families the Department has involved universities and employers in designing the Diplomas and developing their content As new qualifications there is still much work to be done to convince parents employers and universities that Diplomas are a credible alternative to existing qualifications To help make the qualifications more understandable the Department and its partners need to demonstrate clearly how Diplomas will help young people progress into further learning and employment By 2013 the Department is aiming for all young people in England to have access to all 14 Diplomas at three different skill levels The Department has spent 590 million on the programme It has not yet established cost estimates built up from the local level for delivering Diplomas and has only just begun surveying local authorities to assess their capital requirements

The Journal of Education ,1905 *British Qualifications* Kogan Page,2004 In a single volume the new edition of this guide gives comprehensive coverage of the developments within the fast changing field of professional academic and vocational qualifications career fields their professional and accrediting bodies levels of membership and qualifications and is a one stop guide for careers advisors students and parents It should also enable human resource managers to verify the qualifications of potential employees

Teaching Information Technology 14+ Evershed, Jane,Roper, Jayne,2010-10-01 The world of information technology is diverse impacting on driving and supporting westernised business and industry as well as affecting every individual Teachers of IT need to ensure that students recognise and understand why information technology is so important to business and society as well as helping them to develop functional skills Teaching Information Technology 14 helps teachers of IT do just that It explores the nature of Information Technology IT describes some of the current issues and debates surrounding IT and suggests appropriate strategies for successful learning and assessment In addition to providing teachers

with support in differentiating between the numerous Information Technology qualifications it also includes some examples of relevant teaching and learning strategies and includes case studies and quotations from successful IT teachers and industry practitioners drawn from a range of environments to highlight key concepts Teaching Information Technology 14 is not designed simply as another resource book but as a means to engage students in the wider aspects of IT through the inclusion of reflective questions encouraging readers to research and debate the place of IT today
