## **Dust The Archive And Cultural History Encounters:**

*Dust* Carolyn Steedman,2001 Drawing on five years worth of her own writing the author has produced an original and sometimes irreverent investigation into how modern historiography has developed and why the discipline of history is still highly relevant in today s society

*Dust* Carolyn Steedman,2002 **Intersectional Encounters in the Nineteenth-Century Archive** Rachel Bryant Davies,Erin Johnson-Williams,2022-08-11 Rachel Bryant Davies and Erin Johnson Williams lead a cast of renowned scholars to initiate an interdisciplinary conversation about the mechanisms of power that have shaped the nineteenth century archive to ask What is a nineteenth century archive broadly defined This landmark collection of essays will broach critical and topical questions about how the complex discourses of power involved in constructions of the nineteenth century archive have impacted and continue to impact constructions of knowledge across disciplinary boundaries and beyond academic confines The essays written from a range of disciplinary perspectives grapple with urgent problems of how to deal with potentially sensitive nineteenth century archival items both within academic scholarship and in present day public facing institutions which often reflect erotic colonial and imperial racist sexist violent or elitist ideologies Each contribution grapples with these questions from a range of perspectives Musicology Classics English History Visual Culture and Museums and Archives The result is far reaching historical excavation of archival experiences

*Culture and Medicine* Rishi Goyal,Arden Hegele,2022-10-20 Charting shared advances across the emerging fields of medical humanities and health humanities this book engages with the question of how biomedical knowledge is constructed negotiated and circulated as a cultural practice The volume is composed of a series of pathbreaking interdisciplinary essays that bring sociocultural habits of mind and modes of thought to the study of medicine health and patients These juxtapositions create new forms of knowledge while emphasizing the vulnerability of human bodies anti essentialist approaches to biology a sensitivity to language and rhetoric and an attention to social justice These essays dissect the ways that cultural practices define the limits of health and the body from the body s place and trajectory in the world to how bodies relate to one another from questions about ageing and sex to what counts as health and illness Considering how these and other concepts are shaped by a negotiation between medico scientific knowledge and ways of knowing derived from other domains this book provides important new insights into how biomedical frameworks become settled forms for broader cultural understanding

**Saving Cinema** Caroline Frick,2011-01-21 Saving Cinema investigates the emergence of the film preservation movement from Hollywood to the developing world and examines the field s influence on what has been defined as global film heritage
