Essentials of Strategic Management 4e John Gamble, Arthur Thompson, Margaret Peteraf, 2014-09-16 *Essentials of Strategic Management 4e* J. David Hunger, Thomas L. Wheelen, 1997 This text gives a concise presentation of key concepts and theories of strategic management Examples are cited from a wide range of businesses as well as from different management levels The book is designed to allow lecturers to cover strategy theory quickly and then move on to analysis

Cultural Influences on the Process of Strategic Management Andreas Michael Schühly, 2022-01-01 This unique book is positioned at the crossroads of strategic management and international business Based on an in depth literature review the author empirically assesses the widely shared implicit assumption that strategic management processes can be globally applied in a standardized i e culture free manner So far a variety of tools have also been recommended but without incorporating cultural differences As many organizations observe that this ethnocentric view is more an illusion than reality strategic management research has started to focus on the cultural sensitivity of its theories tools and processes to provide practitioners in a multicultural setting with adequate know how and tools To foster long term decision making despite uncertainty scenario planning is frequently applied by practitioners Up until today scenario planning has however gained little attention from the academic community Through this book the author presents a newly developed framework for strategic management that combines the cultural value scale to test the cultural sensitivity of the long term planning tool called scenario planning The different process steps of scenario planning have been individually examined for their sensitivity toward the cultural dimensions of uncertainty avoidance and long term orientation The investigation is based on a unique global set of management consultants working for a leading professional service firm The results of this research show the cultural sensitivity of scenario planning with different degrees of the process steps and the tested cultural dimensions

Essentials of Strategic Management: The Quest for Competitive Advantage Arthur A Thompson Jr., Margaret Peteraf, John E Gamble, 2018-02-16 *Essentials of Strategic Management 6th edition* by Gamble Peteraf and Thompson presents concise straight to the point discussions timely examples with a writing style that captures students interest It features 10 chapters with 12 tightly linked cases The content is solidly mainstream and balanced mirroring both insights of academic thought and real world strategic management For years strategy instructors have been shifting from purely text cases to a text cases simulation course structure Two widely used online competitive strategy simulations The Business Strategy Game and GLO BUS are optional companions Both simulations are closely linked to the content
