## Private Sector Engagement in Code Revision

### “14 different expert-led sessions”

Designed for professionals in the construction industry, the 14 expert-led sessions of EBCS will address key themes such as structural design, fire and earthquake safety, mechanical and electrical systems, and emerging building technologies. These sessions aim to highlight the building codes and gather input from the private sector, ensuring that industry experience is reflected in the revised codes, making them both inclusive and grounded in practice.
