Raymond Taras, Rajat Ganguly

Ethnic Conflict A Global Perspective:

Ethnic Conflict Stefan Wolff, 2007 Across the world violent ethnic conflicts continue to destabilise entire regions hamper development and cause unimaginable human suffering The author investigates the origins dynamics management and settlement of these conflicts [Ethnic Conflict](#) Stefan Wolf, 2010 [Ethnic Conflict, Tribal Politics](#) Kenneth Christie, 2020-11-25 There is an urgent need for a book which combines the approaches of political science sociology and history and particularly comparative politics with ethnic studies There are currently many rapid and significant changes taking place in the world political map in terms of ethnic conflict How do we explain these changes How do we analyse them How can we compare them How do we make sense of the different ethnic conflicts that have taken place since the end of the Cold War in what some observers have dubbed the New World Order Few books on the market combine the diverse approaches of political science sociology and history at any level of analysis This work will remedy at least some of the deficiencies in the existing literature and be truly interdisciplinary in nature *Ethnic Conflict, Tribal Politics* Kenneth Christie, 1998 Includes statistics [Handbook of Ethnic Conflict](#) Dan Landis, Rosita D. Albert, 2012-02-14 Although group conflict is hardly new the last decade has seen a proliferation of conflicts engaging intrastate ethnic groups It is estimated that two thirds of violent conflicts being fought each year in every part of the globe including North America are ethnic conflicts Unlike traditional warfare civilians comprise more than 80 percent of the casualties and the economic and psychological impact on survivors is often so devastating that some experts believe that ethnic conflict is the most destabilizing force in the post Cold War world Although these conflicts also have political economic and other causes the purpose of this volume is to develop a psychological understanding of ethnic warfare More specifically *Handbook of Ethnopolitical Conflict* explores the function of ethnic religious and national identities in intergroup conflict In addition it features recommendations for policy makers with the intention to reduce or ameliorate the occurrences and consequences of these conflicts worldwide *Culture and Conflict in Global Perspective* Bertelsmann Stiftung, 2010-07-30 Has Samuel Huntington's proposed clash of civilizations actually happened in the post 1945 era Events such as 9/11 2001 or the crisis due to caricatures of Mohammed might suggest it has The topic of culture and conflict has been the subject of fierce debate among scholars and the public alike over the last two decades The Bertelsmann Stiftung which has been committed to promoting international cultural dialogue for many years now is publishing *Culture and Conflict in Global Perspective* a theoretically informed definition of cultural conflicts and a world wide mapping of such conflicts between 1945 and 2007 The publication is based on an empirical study that explores in what conflicts cultural factors played a role and to what extent they influenced the intensity of violence in the respective conflicts The study and the explanations derived from it form an important instrument to foster cultural dialogue for peaceful coexistence in a globalized world *The Dilemmas of Ethnic Policy* John Gaffar La Guerre, 2017-01-03 *The Dilemmas of Ethnic Policy* A Global Perspective argues that ethnic conflict

increases or decreases in relation to changes in the social structure and the location and distribution of political power
Ethnic grievances derive from lack of access to valued resources and elites play a crucial role in allocating those resources
This book examines the experiences of five countries with a history of ethnic conflict former Yugoslavia Bosnia Herzegovina
Guyana Trinidad and Tobago and the United States It finds that in many cases solutions adopted to mitigate ethnic conflict
have unintended consequences Often supposed solutions confuse cause and effect and in fact worsen ethnic conflict Attempts
to address identity issues by pandering to them often led to further ethnic demands This book argues that based on the
experiences of the countries under examination the best course is to adopt policies that encourage alliances between and
among ethnic groups The Access Guide to Ethnic Conflicts in Europe and the Former Soviet Union Bruce Seymore,1994

Concepts of International Politics in Global Perspective Charles O. Lerche (jr.),Abdul Aziz Said,1979 Explaining &
Managing Ethnic Conflict in Africa Adele L. Jinadu,2007 **Refugees and the Media** Nasir Uddin,Delaware
Arif,2024-07-17 Media and refugees rhetorically live together and practically complement each other Yet it involves plenty of
hidden political agendas and ethical issues in the re presentation of refugees in media This collection raises questions Should
the media stand by refugees or maintain deliberate neutrality Should the media dehumanize the refugees further in their
humanitarian conditions Are the media entitled to publish photographs of refugees without informed consent Should the
media stand by the state being responsible for generating refugee crisis or should the state be accountable for rendering its
people refugees What effective roles can media play in redressing the refugee crisis in the world The book brings together
scholars across disciplines and continents who reflect on the nexus between media and refugees in contexts around the world
It engages in cutting edge methodological and theoretical discussions and challenges regarding the reciprocal engagement
between media and refugees from both local and global perspectives The Intra-Group Dimensions of Ethnic Conflict in Sri
Lanka Kenneth Bush,2003-12-09 Through an examination of the critical junctures in post colonial Sri Lanka Kenneth D Bush
refines and advances our understanding of the dynamics underpinning violent and non violent ethnic conflict The book
enables us to understand how the ebb and flow of relations within ethnic groups affects relations between groups for good or
for ill **Understanding Ethnic Conflict** Raymond Taras,Rajat Ganguly,2015-08-07 Understanding Ethnic Conflict
provides all the key concepts needed to understand conflict among ethnic groups Including approaches from both
comparative politics and international relations this text offers a model of ethnic conflict s internationalization by showing
how domestic and international actors influence a country s ethnic and sectarian divisions Illustrating this model in five
original case studies the unique combination of theory and application in Understanding Ethnic Conflict facilitates more
critical analysis of contemporary ethnic conflicts and the world s response to them Ethnic Conflict and International
