Organization

By looking at how a passage or selection is organized, students can better understand the author's intent, as well as predict what information is likely to appear later in the text. Texts are often organized sequentially, around main ideas and details, according to cause and effects, or by comparison and contrast.

**DAY
1**

Reproduce the Organization visual aid and distribute it to students. Then introduce the Organization strategy. Say: By looking at the organization of a passage, we can get a better idea of what the author is trying to tell us. Sometimes the author will use certain words to signal how the information is organized. Tell students they are going to read a passage that gives information about how to organize a neighborhood party. Say: Look for words such as first, next, during, and after to help you understand the order of events that the author describes. Then have students read the passage. When students have finished, have them complete the strategy practice activity.

**WEEK 4
DAY 2**

READ THE PASSAGE

As you read, look for facts and opinions about healthful snacks.

Smart Snacks

It's not hard to see why cheeseburgers, fries, pizza, and ice cream are popular. They're delicious! But not everything that tastes good is good for you. The next time you need to feed, consider smart snacks.

Nearly everyone loves french fries made from potatoes. Did you know that other root vegetables taste great, too? Root vegetables include beets, carrots, and sweet potatoes. They contain important vitamins and minerals, and they can all do the jobs a potato can do. Raw carrots are crunchy and satisfying. Cooked beets and sweet potatoes are full of flavor. Peel them and cut them into strips, just like fries. Give them a try! You'll forget all about french fries.

Discovering new foods can be fun. Plus, if you eat healthful foods, you'll be less likely to get sick. You'll also have more energy to run and play. And you will be able to think more clearly and for longer periods of time. So start snacking smartly!

STRATEGY PRACTICE Underline two facts in the passage and draw a box around two opinions.

SKILL PRACTICE Read the item. Write your response.

1. What is the author's opinion of root vegetables? How do you know?
