The African American Entrepreneur W. Sherman Rogers,2009-12-14 African American entrepreneurship has been an integral part of the American economy since the 1600s On the eve of the Civil War the collective wealth of free blacks was approximately 50 million In 2006 African Americans earned a whopping 744 billion a figure that exceeds the gross domestic product of all but 15 nations of the 192 independent countries in the world As W Sherman Rogers ably demonstrates African Americans have achieved these economic gains under difficult circumstances Slavery segregation and legally limited access to property education and other opportunities have taken a heavy toll even to this day Besides providing a penetrating glimpse into the world of black entrepreneurship both past and present this book urges African Americans to gain financial independence as entrepreneurs Business ownership Rogers argues will bring security wealth that can be passed to successive generations and educated offspring with much greater earning power

The African American Entrepreneur Then and Now explores the lower economic status of Black Americans in light of America s legacy of slavery segregation and rampant discrimination It shines a light on the legal historical sociological and political factors that together help explain the economic condition of Black people in America from their arrival in America to the present In the process the book spotlights the many amazing breakthroughs made by Black entrepreneurs even before the Civil War and Emancipation Profiles of businesspeople from the post Civil War period through today include Booker T Washington pioneer banker and insurer A G Gaston hair care entrepreneur Madame C J Walker Ebony publisher John H Johnson Black Entertainment Television founder Robert L Johnson publisher Earl Graves music producer Damon Dash rapper Sean Combs former basketball stars Dave Bing and Magic Johnson food entrepreneur Michelle Hoskins broadcast personality Cathy Hughes former Beatrice Foods head Reginald Lewis Oprah Winfrey and many more As Rogers points out reading about remarkable African American entrepreneurs can inspire readers to adopt an entrepreneurial mindset To further that goal and help readers take the plunge he outlines many of the skills tools and information necessary for business success success that can help chart a new path to prosperity for all African Americans

The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is

Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Rural Accessibility in European Regions Elisabetta Vitale Brovarone, Giancarlo Cotella, Luca Staricco, 2021-09-30 Rural Accessibility in European Regions explores concepts methodologies and case studies dealing with accessibility in European rural areas embracing cultural socioeconomic and governance aspects that play a key role for accessibility policies in rural and peripheral areas In the first part the chapters introduce rural accessibility challenges present a methodology to support policymaking for enhancing accessibility in rural areas and apply it to case studies in the United Kingdom Italy Spain and Sweden In the second part additional cases from Poland Germany Greece and France provide alternative approaches to the topic and a research agenda is proposed Overall the book contributes to a conceptualisation of rural accessibility addressing challenges and potentials for rural accessibility and urban rural relationships in European regions The book fills a gap in the existing bodies of literature on accessibility and on rural planning bridging the two spheres with an interdisciplinary approach to rural accessibility for mobility planning and regional studies
