and why it is so important Using the twelve step framework for understanding the inner work a person must do in order to overcome addiction Michael Cowl Gordon walks readers through the journey to inner salvation and peace Using the hero s journey as the path on which to travel through these steps he uncovers the deep work that it takes to be the hero in your own story *Fifty Years Sober* Ross Fitzgerald,2020-02-01 The reality is that if I hadn t stopped drinking and drugging at twenty five years of age I wouldn t have made twenty six This is Ross Fitzgerald s 42nd book an updated edition of his 2010 book *My Name is Ross* Although he has now succeeded in not drinking alcohol or using drugs for 50 years in this revised edition the author still calls himself an alcoholic and pays extended tribute to the role of Alcoholics Anonymous in keeping him on the wagon His involvement in AA has become a way of life he still attends two or three meetings a week A key aspect of AA s therapeutic process involves what can be termed the mechanism of surrender Instead of telling alcoholics to use their willpower control their drinking or pull up their socks AA suggests that a much more efficacious strategy is to admit that at least in relation to alcohol they are beaten With his insight into the scourge of numerous kinds of addiction Fitzgerald traces the journey of many alcoholics and drug addicts In this brutally honest and intimate portrayal of his fascinating life his struggles as well as his successes Fitzgerald doesn t shy away from his difficult times and regrets but ultimately has written an uplifting and inspiring book With the prevalence of alcohol in our daily lives for every celebration or sad occasion a book like this is needed more than ever *An Unsuspecting Trap* George E. Buttner,2007-07 *An Unsuspecting Trap* is a compelling and candid account of the author s struggles with alcoholism and his exploration of the events that led him down a path of self destruction At his mother s funeral George flashes back to the abuse abandonment and early frustrations that impoverished his personal growth and kept him imprisoned by his past for most of his adult life The disparagement and lack of guidance that characterized his early years led to his truancy low self worth a dramatic near death experience in the Navy and a long and agonizing bout with alcoholism However this story is not about one child being battered or even the drunkenness that followed but rather the human heart Not knowing why but knowing just the same it is about a child s resourceful spirit searching for its place in the sun It is about freeing whatever is good from the wreckage of my broken dreams Wishing for some of them to come true it is about a chance at having a hopeful future of being restored to full humanity and yes most of all it is about the necessary conviction that in sharing these things with others life will have peaceful promise for our children in the shrinking fast changing world we know today *Love Hunger Weight-Loss Workbook* Robert Hemfelt, Frank B. Minirth, Paul Meier, Sharon Sneed, 1991 A stand alone workbook that helps readers work through the psychological spiritual and physical aspects of food addiction through interactive questions and answers and self tests This weekly eating exercise and lifestyle plan insures successful dieting and weight maintenance with an easy to use menu exchange program for each week a behavioral diary inspirational meditations and weekly self examinations assessing spiritual growth *We are Driven* Robert Hemfelt, Frank B.
