and independence have been subjected to thorough research before That the issue still draws critical attention more than
twenty years after the McDonald Commission of Inquiry into Certain Activities of the Royal Canadian Mounted Police
suggests that understanding and a resolution to the issue still eludes us Despite the modifications to police practice that the
Charter of Rights and Freedoms has brought there is still concern over the degree of independence the police exercise and
debate over where the line between legitimate government direction of the police and illegitimate political interference
should be drawn Police and Government Relations explores the question of police governance and independence from a
number of different points of view Editors Margaret E Beare and Tonita Murray offer multi disciplinary comparative and case
study methodologies written by scholars from law political science and criminology to illustrate the diversity of opinion that
exists on the topic and to explore how the operating tension between police independence and democratic governance and
accountability has played out both in Canada and other countries This book does not attempt to find final answers its goal is
to provide a framework for a continuing discussion that may lead to helpful and workable recommendations for the future It
