Exacto A Practical To Spanish Grammar:

!Clarísimo! Ane Ortega, Tita Beaven, 2002 Exacto is a new student friendly Spanish grammar which concentrates on the essentials. It presents the key grammar points in tabular form using an appealing visual layout and includes varied practice exercises with an answer key. The book introduces the student to Spanish grammar from nouns to sentence construction using real language examples from both Spanish and Latin American varieties. Aimed at AS A level and undergraduate students of Spanish as well as adult learners, the book is particularly useful for quick reference or revision. Exacto is a teaching grammar as well as a reference grammar; it assumes little previous knowledge of grammar, offers grammar at a glance through strong visual presentation, provides user friendly explanations with relevant examples, and graded exercises can be used for revision and quick reference. It covers Spanish as a world language with examples from different varieties of Spanish.

!Exacto! Second Edition Ane Ortega, Tita Beaven, Cecilia Garrido, Sean Scrivener, 2013-11-26 Exacto is a student friendly Spanish grammar aimed at intermediate level learners and is ideal both for use in the classroom and as an invaluable reference for self study. Tables and charts allow the learner to navigate easily and to view explanations, examples of usage, any exceptions to the rule at one glance. Authentic quotations from Spanish and Latin American media and literature illustrate grammar in context while varied graded practice exercises with answer keys enable learners to review their progress. The authors, all experienced teachers from the Open University, are adept at conveying complex ideas through clear explanations and examples and at writing exercises that truly promote and consolidate learning. This makes Exacto ideal for learners with little knowledge through to advanced level.
