Paradise of Bachelors and the Tartarus of Maids are acknowledged masterpieces of their genres All show Melville a master of irony point of view and tone whose fables ripple out in nearly endless circles of meaning ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more   Reading Billy Budd Hershel Parker,1990 In this study of Melville s Billy Budd Sailor renowned Melville scholar Hershel Parker provides the fullest introduction to and analysis of this work to date It is the first complete reading of Billy Budd to draw on the definitive but neglected Hayford Sealts Genetic Text For the first time it places Billy Budd in the context of Melville s writings and projects of the last decade of his life and it is the first to present the work as a product of the post Gilded Age and fin de siecle period rather than of the mid century high romanticism of Moby Dick
