Onion Tears:

The Fiction Gateway Suzanne Eberlé, Noelle Williamson, 2009 In this guide two experienced school librarians provide a selection of books for librarians teachers and parents The Fiction Gateway is an essential resource that supports individual group and social reading program and provides an instant guide to matching children s interests with suitable reading material

The Extraordinary Healing Power of Ordinary Things Larry Dossey, 2007-06-05 Every day modern medicine announces the arrival of yet another wonder drug or miracle procedure to a world increasingly wary of expensive high tech cures Drugs transplants and surgery don t work for 90 percent of our aches and pains and while we are grateful for life saving developments we know that most come with risks that we ignore at our peril Long hailed as one of the founding fathers of mind body medicine Larry Dossey directs our attention to simple sources of healing that have been available for centuries treasures often hidden in plain sight from the power of optimism and of tears to speed recovery to the surprising usefulness of dirt and bugs in curing disease and infection to the benefits of doing nothing Exploring the medical research that validates these simple remedies Dossey encourages us to align ourselves with the wisdom of nature and allow true healing to take place The Extraordinary Healing Power of Ordinary Things can transform our view of what health is all about whether our concern is cancer or the common cold

Rhapsody in Schmaltz Michael Wex, 2016-04-12 Bagels deli sandwiches and gefilte fish are only a few of the Jewish foods to have crossed into American culture and onto American plates Rhapsody in Schmaltz traces the history and social impact of the cuisine that Yiddish speaking Jews from Central and Eastern Europe brought to the U S and that their American descendants developed and refined The book looks at how and where these dishes came to be how they varied from region to region the role they played in Jewish culture in Europe and the role that they play in Jewish and more general American culture and foodways today Rhapsody in Schmaltz traces the pathways of Jewish food from the Bible and Talmud to Eastern Europe to its popular landing pads in North America today With an eye for detail and a healthy dose of humor Michael Wex also examines how these impact modern culture from temple to television He looks at Diane Keaton s pastrami sandwich in Annie Hall Andy Kaufman s stint as Latke on Taxi and Larry David s Passover seder on Curb Your Enthusiasm shedding light on how Jewish food permeates our modern imaginations Rhapsody in Schmaltz is a journey into the sociology humor history and traditions of food and Judaism
