

# Biblical Modesty

@forallisthroughhim

1.

Modesty is about your heart posture with God.

2.

Modesty is about your clothing and deeds honouring God.

3.

Being modest is a profession of your worship to God.

4.

Being modest shows your unfading beauty of a gentle and quiet spirit.

5.

Modesty is an act of showing respect to your body which the Holy Spirit lives in.

6.

Modesty shows you put your hope and submission in God.

## Modest Words:

**89 Words followed by Prague, A Disappearing Poem** Milan Kundera, 2025-10-07 Two newly translated works from one of the greatest literary writers and thinkers of the modern age available together in English for the first time Translating a work from its original language can be complicated it s a complex art that can easily mar and twist the intent and meaning of a writer s words Precise translations were of particular importance to Milan Kundera who did not live to see all his books published in his native Czech language Words for Kundera were the object of constant scrutiny This fascinating volume includes two Kundera works from the 1980s originally written for the now defunct French magazine *Le Debat* which have never been available in in English In *89 Words* Kundera wryly recounts the many pitfalls in reading his own poorly translated works When a friend of Kundera s asked him about the words he considered the most the ones he fretted over and loved Kundera created a personal dictionary his *89 Words* This discerning essay steeped in his signature barbed cheekiness showcases his casually gutting philosophical reflections on what it means to be a writer in translation the exile of life and art in another language In the second work *Prague A Disappearing Poem* Kundera writes with a wistfulness and despair for his ever more distant home offering an intimate look at the specificity of his native culture the richness of a heritage born in a small nation but whose significance is universal Here like in *A Kidnapped West* we find the double condemnation of Soviet civilization which had suffocated and persecuted Czech culture and of Western Europe which refused to neither acknowledge Kundera s culture or understand it Prefaced by lauded French historian Pierre Nora and translated from the French by award winning Matt Reeck these two texts return us to Kundera s much missed living presence Subtle alive and full of wit and irony *89 Words followed by Prague A Disappearing Poem* is an homage to a literary legend and a reminder of just how prescient his words and insights are today
