*Monthly Catalog of United States Government Publications* , 1976 **The Arab Gulf States** J. E. Peterson, 1988-01-20 This book opens with an interesting question Why do monarchies which seem to be dying out everywhere else thrive in the Middle East The answer by Peterson an expert on the Arabian peninsula who has already written fine books on Oman and North Yemen is that the Emirs of the Arab Gulf have sought to be accountable to their citizens through a flexible mixture of traditional assemblies like the diwan and modern instruments like parliaments and an independent press Peterson illustrates his argument with detailed case studies of political institutions in Kuwait and Bahrain and with looser comparisons of the United Arab Emirates Qatar Oman and Saudi Arabia Lucid writing and fascinating anecdotes make the text accessible to
