so hard to grasp the many areas of Churchill's life especially when looking at the length and accomplishments of his political career. Many people call Churchill one of the last great historians while others discuss his political career which is the area of his life he is most known for. His political career spanned from about 1900 and well into the 1940s which saw him face two wars and varying social changes. In his early years Winston Churchill wanted to prove he was more than just a son of an aristocratic parent.

Winston S. Churchill: Road to Victory, 1941-1945 Martin Gilbert, 2015-04-06 The seventh volume of the acclaimed official biography. An engrossing history of Churchill's crucial role in the grand alliance of World War II. Los Angeles Times. This seventh volume in the epic multivolume biography of Winston S. Churchill takes up the story of Churchill's War with the Japanese attack on Pearl Harbor on December 7, 1941 and carries it on to the triumph of V E Day May 8, 1945 the end of the war in Europe. Acclaimed historian Martin Gilbert charts Churchill's course through the storms of Anglo American and Anglo Soviet rivalry and between the conflicting ambitions of other forces embattled against the common enemy between General de Gaulle his compatriots in France and the French Empire between Tito and other Yugoslav leaders between the Greek Communists and monarchists between the Polish government exiled in London and the Soviet controlled Lublin Poles. Amid all these volatile concerns Churchill had to find the path of prudence of British national interest and above all of the earliest possible victory over Nazism. In doing so he was guided by the most secret sources of British Intelligence the daily interception of the messages of the German High Command. These pages reveal as never before the links between this secret information and the resulting moves and successes achieved by the Allies. A milestone a monument a magisterial achievement rightly regarded as the most comprehensive life ever written of any age. Andrew Roberts historian and author of *The Storm of War* The most scholarly study of Churchill in war and peace ever written. Herbert Mitgang The New York Times.

A masterful book and a history worth buying and reading and paying attention to. Veterans Reporter.
