## **Communication An Essential Aspect Of Diplomacy:**

*Public Diplomacy in Vietnam* Vu Lam, 2022-08-12 This book explores how Vietnam's leadership conceptualises and conducts public diplomacy PD and offers a comparative analysis with regional powers Drawing on social constructivism as its theoretical framework it investigates the rationale behind an authoritarian regime's implementation of public diplomacy to contribute to a better understanding of the broader framework of foreign domestic policy This theoretical and practical exploration of Vietnam's PD in cases of cultural diplomacy South China Sea diplomacy and online activism situates it in the general academic and theoretical discussion on soft power Key variables to the conceptualisation and conduct of Vietnam's PD namely national interest national identity and changing information technologies especially the Internet and social media are also thoroughly investigated With crosscutting themes ranging from politics and international relations to communication studies it will appeal to students and scholars of identity politics populism and nationalism Critical Perspectives on

Language and Discourse in the New World Order Faiz Sathi Abdullah, Mardziah Hayati Abdullah, Tan Bee Hoon, 2009-03-26

The papers in this book explore language use in a broad range of discourse fields They provide theoretical perspectives on global orientations to social political and economic transformations in the New World Order NWO and extend these with studies on the impacts of such transformations at the local national regional and global levels The discussions highlight current concerns among academics and political commentators about the potential social impact of representations of the NWO in language and discourse The present work is important in raising social consciousness towards the central role that language and discourse play in the construction of shifting multiple identities In this way the roles of critical discourse analysis and indeed that of the analysts themselves are emancipative and socially transformative The value of such consciousness raising for potential social action in language user empowerment terms cannot be overstressed particularly given the ascendant position of the English language in the NWO This collection is a significant contribution to the ongoing critical discussion on global order discourse EU Diplomatic Law Sanderijn Duquet, 2022

EU Diplomatic Law analyses the interactions between the European Union and international diplomatic and consular law addressing fundamental problems in this relationship and analysing EU practice in initiating conducting and terminating diplomatic and consular relations

**Return of the Barbarians** Jakub J. Grygiel, 2018-06-07 Barbarians are back These small highly mobile and stateless groups are no longer confined to the pages of history they are a contemporary reality in groups such as the Taliban Al Qaeda and ISIL Return of the Barbarians re-examines the threat of violent non-state actors throughout history revealing key lessons that are applicable today From the Roman Empire and its barbarian challenge on the Danube and Rhine Russia and the steppes to the nineteenth century Comanches Jakub J Grygiel shows how these groups have presented peculiar long term problems that could rarely be solved with a finite war or clearly demarcated diplomacy To succeed and survive states were often forced to alter their own internal structure giving greater power and responsibility to the communities most directly

affected by the barbarian menace Understanding the barbarian challenge and strategies employed to confront it offers new insights into the contemporary security threats facing the Western world
