Increasing Production Costs

Fradel and Spies Manufacturing, established in 1998, is a mid-sized company specializing in the production of high-quality precision components for the automotive and aerospace industries. Known for its commitment to quality and innovation, Fradel and Spies has built a reputation as a reliable supplier to some of the largest companies in these sectors.

Objectives

The rising costs of raw materials and labor significantly impacted Fradel and Spies's profit margins. The company needed to find ways to reduce production costs without compromising on the quality of its products.

Solutions

Fradel and Spies adopted lean manufacturing practices to minimize waste and optimize production processes. This included reorganizing the production floor to improve workflow.
