real peace and happiness result when the whole person has physical social financial and spiritual success You develop all those qualities to achieve real success Your whole life is full of mental peace and happiness when your whole person becomes greater than the sum of its parts Real success is not an accomplishment in just one area but proficiency in all four Our education system provides instruction for the whole curriculum of life If you are good at math but cannot speak with proper grammar your success will be soiled An entertainer like Elvis Presley may sell two hundred million records and have two hundred million friends but be broke and alone with a drug and spending addiction The ordinary person focuses on the parts of life they are trying to receive while the successful person focuses on the whole life they are trying to accomplish The second book in the series is *The Secret of Money Beating Inflation in the 21st Century* It would be a nice complement to this one *Where Did My Money Go?* Bob Hopkins Rg (Regular Guy),2012-04 Have you ever wondered why you like most Americans are broke at the end of every month Are you a slave to the monthly payment Do you believe that things in your life would be better if you only got that well deserved raise Are you stuck in debt and believe there is no way out and no other way to obtain life s needs Did you know one third of your life s earnings will go to your house payment as another third goes to pay taxes Would you like a better way to look at personal finances that will set you free from the shackles of the modern system of debt Then this could be the very thing you need as the answers to these questions will be easily explained within The key to wealth is to be debt free as commanded by God *Where Did My Money Go* can lead you in that direction by teaching you how to become debt free and recognize the predators knocking on your door in a culture dripping with materialism Take a journey into a new life free from the banks finance companies mortgage companies college loan companies and all the other wolves at your door who simply want to take your hard earned dollar *Your Money God's Way* Amie Streater,2010-09-14 Readers discover the seven counterfeit convictions that keep them broke and encounter proven plans and for getting out of debt building wealth and finding financial peace *50 Shades of Money* Debbi King,2018-01-30
