Nonmonogamy and Betrayal Eve Rickert,2025-12-12 A reflection on the many manifestations of broken trust in nonmonogamous relationships and how to heal from them Nonmonogamy can assume many shapes none of which can claim to be a safe model of intimacy The jet setting passport paramour who fits the needs of many far flung lovers into a single carryon has as many opportunities to do right or wrong by their partners as the members of a homebound triad who prefer raising a family to raising hell on the nightlife scene Even the most casual of connections requires trust and where there is trust there is the potential for betrayal As long as there have been love stories there has been love lost through deception abandonment or callous disregard of intimate bonds Intimacy exclusive or otherwise can be exploratory or confined collaborative or autonomous but one thing it can never be is risk free Yes there is cheating in nonmonogamous relationships There are other forms of betrayal too the cliquish injustices of in group bullying the violation of having personal information shared by a trusted partner the humiliation of seeing someone who claimed to love you trade up for a partner with more social sexual or plain old economic capital Trust can be broken and in turn break people in a great number of ways In *Nonmonogamy and Betrayal* Eve Rickert co author of *More Than Two* Second Edition Cultivating Nonmonogamous Relationships with Kindness and Integrity explores a regrettable inclination among many who practise nonmonogamy to downplay or minimize the destructive capacity of broken trust both to the betrayed partner and to the larger community *Nonmonogamy and Betrayal* not only unravels the varieties of betrayal that can occur in nonmonogamy but explores pathways to recognition and healing

Polyamory Julia Sanders,2017-09-05

Polyamory The Love Of More Than One Most people think that their only options are to find monogamous love or spend their life alone forever but the most basic fact about humanity is that we re all different and there are so many different ways to find love and happiness Polyamory is one of those options and it can come in many different forms The world polyamory comes from a combination of the Greek word poly which means many or several and the Latin word amor which means love In the simplest terms it is the desire or the practice of sharing intimate relationship with two or more partners where all of the partners are aware of all of the other partners This makes it different than cheating because all of the partners involved remain aware of everything that might affect their dynamic Everything that happens within the dynamic is ethical consensual and responsible Just because you are open to multiple partners does not mean that it s open season and you can do whatever you want with whomever you want Full communication is essential in a functioning healthy polyamorous relationship This book looks at polyamory polygamy and other forms of multiple partner relationships [Understanding Polyamory Relationships](#) Ben Mark,2021-01-23 Can you love more than one person Can you have multiple romantic partners without jealousy or cheating Absolutely Polyamorous people have been paving the way through trial and painful error Now the new book More Than Two can help you find your own way
