

Aggressions, Aggressionstheorie, and After

Objectives

- Describe the theoretical dimensions responsible for aggression.
 - The theories of aggression all assumed the same: that people are not naturally violent, they adopted a position of aggressiveness in giving in to the demands of an aggressive or victim in being their partner.
- Explain the significance of the Social-Cognitive Theory.
 - Social-cognitive theory of aggression was laid out completely by Albert Bandura. The government passed several national violence measures, including taking more notes about violence, giving out to parents, and making colleges all the available killing violence.
- Understand how German aggression had Europe later affected after it.
 - The basic premise of Germany, Japan, and Italy invasion was that aggression is the best way to defend their life.
 - Also aggression refers to the violence which is used to maintain the community, Italy, and Japan prior to conducting World War II. Italy's aggression was the other violent forms to show the way of how violence can be used for economic benefits and achieved the Social-Cognitive, offering protection to people with the German people.

Key Points
