*Essence of Decision; Explaining the Cuban Missile Crisis [by] Graham T. Allison* Allison, Graham T, 1971

**The Sources of Military Doctrine** Barry Posen, 1984 Barry R Posen explores how military doctrine takes shape and the role it plays in grand strategy that collection of military economic and political means and ends with which a state attempts to achieve security Posen isolates three crucial elements of a given strategic doctrine its offensive defensive or deterrent characteristics its integration of military resources with political aims and the degree of military or operational innovation it contains He then examines these components of doctrine from the perspectives of organization theory and balance of power theory taking into account the influence of technology and geography Looking at interwar France Britain and Germany Posen challenges each theory to explain the German Blitzkrieg the British air defense system and the French Army's defensive doctrine often associated with the Maginot Line This rigorous comparative study in which the balance of power theory emerges as the more useful not only allows us to discover important implications for the study of

national strategy today but also serves to sharpen our understanding of the origins of World War II The Sources of Military Doctrine Barry R. Posen, 2014-09-10 Barry R Posen explores how military doctrine takes shape and the role it plays in grand strategy that collection of military economic and political means and ends with which a state attempts to achieve security Posen isolates three crucial elements of a given strategic doctrine its offensive defensive or deterrent characteristics its integration of military resources with political aims and the degree of military or operational innovation it contains He then examines these components of doctrine from the perspectives of organization theory and balance of power theory taking into account the influence of technology and geography Looking at interwar France Britain and Germany Posen challenges each theory to explain the German Blitzkrieg the British air defense system and the French Army s defensive doctrine often associated with the Maginot Line This rigorous comparative study in which the balance of power theory emerges as the more useful not only allows us to discover important implications for the study of national strategy today but also serves to sharpen our understanding of the origins of World War II **Routledge Handbook of International Relations in the Middle East** Shahram Akbarzadeh, 2019-03-26 This handbook examines the regional and international dynamics of the Middle East It challenges the state society dichotomy to make sense of decision making and behavior by ruling regimes The 33 chapter authors include the world s leading scholars of the Middle East and International Relations IR in order to make sense of the region This synthesis of area studies expertise and IR theory provides a unique and rigorous account of the region s current dynamics which have reached a crisis point since the beginning of the Arab Spring The Middle East has been characterized by volatility for more than a century Although the region attracts significant scholarly interest IR theory has rarely been used as a tool to understand events The constructivist approach in IR highlights the significance of state identity shaped by history and culture in making sense of international relations The authors of this volume consider how IR theory can elucidate the patterns and principles that shape the region in order to provide a rigorous account of the contemporary challenges of the Middle East The Routledge Handbook of International Relations in the Middle East provides comprehensive coverage of International Relations issues in the region Thus it offers key resources for researchers and students interested in International Relations and the Middle East **The Leading Practice of Decision Making in Modern Business Systems** Elena G. Popkova, Alina V. Chesnokova, 2019-12-02 Concentrating on the Russian model this book reflects the leading practical experience of decision making in modern business systems and presents innovative technologies and perspectives to optimize this process Report of Decisions of the Industrial Accident Commission of the State of California California. Industrial Accident Commission, 1916 The Dynamics of Israeli-Palestinian Relations B. Soetendorp, 2007-04-02 This book looks at Israeli Palestinian relations through three different conceptual lenses the individual decision maker domestic politics and the international system It examines key choices made by Israelis and Palestinians regarding three central issues the 1947 UN Partition Plan the Lebanon invasion in 1982 and the 1993 Oslo Agreements *Government*

*Controlled Enterprises* Renato Mazzolini,1979 Monograph on foreign investment decision making activities of public enterprises in EC countries based on a survey of 123 firms analyses external and internal influences on strategic and policy formulation and covers financial policy the roles of top management government administrators trade union leaders etc Bibliography pp 383 to 391 diagrams references and statistical tables
