Essentials Of Organizational Behavior 6th Edition:

Study Guide [to Accompany] Essentials of Organizational Behavior, Sixth Edition [by] Stephen P. Robbins

James V. Dupree, 2000 *Essentials of Organizational Behavior* Stephen P. Robbins, 2005 For undergraduate and postgraduate courses in Organizational Behaviour and Management the aim of this text is to develop student skills by covering key topics and supporting them with a companion website Supplements for this text include an Instructor's CD ROM with Test Item File Instructor's Manual and PowerPoint slides and a video

Human Resource Management in Sport and Recreation

P. Chelladurai, 2006 The second edition of this ground breaking text continues to guide students toward a greater understanding of human resource management in the sport and recreation environment Human Resource Management in Sport and Recreation Second Edition provides future practitioners with a solid foundation in research and application of human resource management for success in the sport industry With more than 30 years of experience in management of human resources Dr Packianathan Chelladurai provides an understanding of the dynamics of human resources and management bringing into focus the three divergent groups of people who constitute human resources in sport and recreation organizations paid professional workers volunteers and the clients themselves Dr Chelladurai goes on to match managerial processes with individual differences among those three groups Human Resource Management in Sport and Recreation Second Edition merges the fields of human resource management and the sport industry in an easy to read manner Its updated references examples and studies reflect the increased growth interest and complexity in human resource management in sport in recent years This new edition places a greater emphasis on managerial competencies the strategic importance of human resource management and the implications of organizational justice There is also a new chapter on internal marketing a concept that has not been addressed adequately in a sport context but deserves attention as sport and recreation organizations better understand the importance of human resource management This new chapter details the potential impact of internal marketing and outlines its uses Student comprehension is aided by several special elements including Viewpoint sidebars providing quotes and findings from experts and researchers Review sidebars highlighting key points and practical sidebars detailing applications of research or problems that practitioners must be aware of The book also includes learning objectives summaries key terms and end of chapter activities Part I outlines the unique and common characteristics of the three groups in human resources Part II focuses on differences among people and how the differences affect behavior in sport and recreation organizations This part covers human resource issues related to abilities personality values and motivation among the three sets Part III explores significant organizational processes in the management of human resources Included are chapters on organizational justice job design staffing and career considerations leadership performance appraisal reward systems and internal marketing Finally part IV discusses two significant outcomes expected of human resource practices satisfaction and commitment Human Resource Management in Sport and Recreation Second

Edition will guide students understanding of key concepts in human resources in the sport and recreation industry In doing so it will prepare them for a career in that industry
