The Ethical Life Russ Shafer-Landau, 2012 The Ethical Life Fundamental Readings in Ethics and Moral Problems Second Edition is ideal for courses in introductory ethics and contemporary moral problems Publisher's website

Reflections on Ethics and Responsibility Zachary J. Goldberg, 2017-02-06 The original essays in this book address the influential writings of Peter A French on the nature of responsibility ethics and moral practices French's contributions to a wide spectrum of philosophical discussions have made him a dominant figure in the fields of normative ethics meta ethics applied ethics as well as legal and political philosophy Many of French's deepest insights come from identifying and exploring the scope and nature of moral responsibility and human agency as they appear in actual events real social and cultural practices as well as in literature and film This immediacy renders French's scholarship vital and accessible to a wide variety of audiences The authors recognized for their own contributions to the understanding of the nature of morality and moral practices offer new and unique positions while exploring expanding and responding to those of French The final chapter is written by French in which he provides both new philosophical insight as well as some reflection on his own work and its influence This book will appeal to philosophers as well as advanced students and researchers in the humanities social sciences law and political science

Path of Peace and Happiness Chulan Sampathge, 2022-12-06 Are you happy in this modern world Or do you need more Is there something else you are searching for If you are looking for true happiness then you need to find the path leading to it The principal aim of this book is to share the value of the middle path propounded by the Buddha many centuries ago rejecting extremes Unlike the historical Buddha's time in this modern world lots of undue suffering is inflicted upon people by bad politics and false interpretations of carefully selected wrong views Buddhism's pragmatic teachings help clarify uproot and eliminate the deep underlying causes of suffering Narrated through a philosophical background the book conveys how to relate Buddhist teachings to improve the quality of everyday life and find true happiness It discusses Buddhist ethical values and Western development including how wrong views can cause destruction and misery emphasising the futility of wars a rare book written to be read by kings presidents and ambassadors with a view to change the narratives of armed conflicts in the 21st century Understanding history is essential to guiding important foreign relationships at times of growing uncertainty threatening world peace The book highlights the destructive consequences of the most recent Russia's aggression in Ukraine Destroying lives and livelihoods are the nature of armed conflict The war also imperils the world's economic recovery from the COVID 19 pandemic inflation food security energy security and further supply chain pressures driving inflation are among the many challenges policy makers worldwide must tackle As the global ramifications of the invasion take hold the book shows the importance of insight wisdom nonviolence approach on the foreign policy challenges ahead The book also shows the practical applications of Buddhist teachings through familiar historical literature not inhibited by traditional interpretations A prime source of both western and eastern philosophies it constitutes a rational and

straightforward understanding of the ethics and psychology of Buddhism advocating peace and nonviolence respect for life and individual acceptance of accountability social responsibility and welfare of all to improve social cohesion

Seven Management Moralities T. Klikauer,2012-09-18 For the first time Seven Management Moralities delivers a comprehensive overview of all forms of moral and immoral behaviour displayed by management Utilising Kohlberg s ascending scale of seven moralities the book includes the ethics of Aristotle Kant Utilitarianism Bauman Habermas and Singer

Pragmatist Ethics James Jakób Liszka,2021-11-01 Grounded in American pragmatism Pragmatist Ethics proposes a rethinking of ethics Rather than looking to the good a concept for which consensus is difficult to achieve pragmatists instead advocate for tending to the problems of the day James Jak b Liszka examines how daily practices and institutions are originally conceived and then evolve to solve certain problems and that their failure to do so is the source of most problems Liszka argues that the ethical goal therefore is to improve upon these practices and that the sort of practical reasoning that characterizes practices can be enhanced by a more scientific empirical approach But how do we know when changes to practices and institutions are progressive Problems will plague the best of communities the better community is the one that succeeds best at solving its problems Pragmatist Ethics examines various accounts of improvement and progress concluding that the problem solving effectiveness of communities is the key to progressive changes

Klikauer,2014-10-28 Seven Moralities of Human Resource Management analyses morality of HRM from the perspective of American psychologist Laurence Kohlberg This book examines and makes value judgements on whether or not HRM is moral from the viewpoint of Kohlberg s seven stages of morality as a follow up study of the author s 2012 book Seven Management Moralities

The Fundamentals of Ethics Russ Shafer-Landau,2010 In The Fundamentals of Ethics author Russ Shafer Landau employs a uniquely engaging writing style to introduce students to the essential ideas of moral philosophy Offering more comprehensive coverage of the good life normative ethics and metaethics than any other text

of its kind this book also addresses issues that are often omitted from other texts such as the doctrine of doing and allowing the doctrine of double effect ethical particularism the desire satisfaction theory of well being and moral error theory Shafer Landau carefully reconstructs and analyzes dozens of arguments in depth at a level that is understandable to students with no prior philosophical background Ideal for courses in introductory ethics and contemporary moral problems this book can be used as a stand alone text or with the author s companion reader *The Ethical Life Fundamental Readings in Ethics and Moral Problems* which offers original readings exploring the topics covered in *The Fundamentals of Ethics* [Environmental Ethics](#) Gregory Bassham,2020-12-04 *Environmental Ethics* provides an accessible lively and up to date introduction to the central issues and controversies in environmental ethics Requiring no previous knowledge of philosophy or ethical theory the book will be of interest to students environmental scientists environmental policy makers and anyone curious to know what philosophers are saying today about the urgent environmental challenges we face The book is divided into two parts Part One deals with theoretical issues in environmental philosophy examining a variety of ethical and environmental theories that provide diverse and thought provoking perspectives on critical ecological issues Part Two turns to applied environmental ethics addressing current debates on topics such as climate change biodiversity loss wilderness preservation responsibilities to future generations population growth overconsumption food ethics and ecological activism Features include Clear explanations of key concepts and theories that lie at the heart of current debates in environmental ethics A mix of theory of practice that permits readers to apply diverse theoretical perspectives to key environmental debates A wealth of pedagogical aids including chapter summaries discussion questions suggested readings and a glossary of important terms **Oxford Studies in Metaethics** Russ Shafer-Landau,2010 **The Philosophy of Reenchantment** Michiel Meijer,Herbert De Vriese,2020-10-27 This book presents a philosophical study of the idea of reenchantment and its merits in the interrelated fields of philosophical anthropology ethics and ontology It features chapters from leading contributors to the debate about reenchantment including Charles Taylor John Cottingham Akeel Bilgrami and Jane Bennett The chapters examine neglected and contested notions such as enchantment transcendence interpretation attention resonance and the sacred or reverence worthy notions that are crucial to human self understanding but have no place in a scientific worldview They also explore the significance of adopting a reenchanting perspective for debates on major concepts such as nature naturalism God ontology and disenchantment Taken together they demonstrate that there is much to be gained from working with a more substantial and affirmative concept of reenchantment understood as a fundamental existential orientation towards what is seen as meaningful and of value *The Philosophy of Reenchantment* will be of interest to scholars and advanced students in philosophy especially those working in moral philosophy metaphysics philosophy of religion theology religious studies and sociology *The Fundamentals of Ethics* Russ Shafer-Landau,2024 This book is divided into three parts one on the Good Life another on Doing the Right Thing and the last on the Status of Morality You can read these parts in any order Many will want to

begin at the end for instance with a discussion of whether morality is a human invention or is in some way objective Some will prefer to start in the middle asking about the supreme principle of morality and whether there is any such thing And others may want to begin at the beginning by thinking about human well being and the quality of life Each part can be understood independently of the others though there are of course many points of connection across the three main branches of moral philosophy No matter where you begin there are footnotes in most chapters that provide cross references to relevant discussions elsewhere in the book When beginning a new area of study you re bound to encounter some unfamiliar jargon I ve tried to keep this to a minimum and I suppose that you can be thankful that we re doing ethics here rather than physics or anatomy I define each technical term when I first use it and have also put together a glossary which appears at the end of the book Each specialized term that appears in boldface has an entry there You may be interested enough in what you read here that you ll want to continue your studies in moral philosophy There is a natural place to begin the companion volume to this book The Ethical Life described later in this preface I have also compiled a list of Suggestions for Further Reading for each chapter or pair of chapters This list appears at the end of the book just before the glossary I have selected the readings with an eye to what might be accessible and interesting to those just beginning their study of moral philosophy

The Philosopher's Index, 2008 Vols for 1969 include a section of abstracts [A Concise Introduction to Ethics](#)

Professor of Philosophy Russ Shafer-Landau, 2019-07-15 A Concise Introduction to Ethics is an abbreviated and simplified version of Russ Shafer Landau s best selling textbook primer on ethical theory for the introduction to ethics and introduction to contemporary moral issues courses The Fundamentals of Ethics For many philosophy departments these ethics courses are their largest enrollment offerings often fulfilling a university general education requirement Shafer Landau s The Fundamentals of Ethics has been the 1 selling ethics textbook for years primarily because it provides students with the clearest and most accessible explanations of ethical theories available It is relatively brief and yet quite comprehensive covering more theories than the competing texts do but also presenting them in the most understandable way the author has a direct conversation with the students This book will be about 1/3 shorter than The Fundamentals of Ethics while still maintaining its content advantage over competing books by including several areas of theory that others omit including the good life value theory natural law and prima facie duties A Concise Introduction to Ethics will be based on the first part of Shafer Landau s new OUP hybrid textbook reader Living Ethics The end of each chapter features several cases and discussion questions so students get opportunities to apply ethical theories to real world moral issues and problems Like its parent book this volume can be paired with Shafer Landau s reader The Ethical Life which includes key reading selections from ethical theory and essays on contemporary moral problems It can also accompany any reader on ethics or contemporary moral issues

The Routledge Handbook of Metaethics Tristram McPherson, David Plunkett, 2017-08-24 This Handbook surveys the contemporary state of the burgeoning field of metaethics Forty four chapters all written exclusively for this

volume provide expert introductions to the central research programs that frame metaethical discussions the central explanatory challenges resources and strategies that inform contemporary work in those research programs debates over the status of metaethics and the appropriate methods to use in metaethical inquiry This is essential reading for anyone with a serious interest in metaethics from those coming to it for the first time to those actively pursuing research in the field

A Concise Introduction to Ethics Russ Shafer-Landau, 2019-07-08 A Concise Introduction to Ethics offers a condensed and exceptionally well written introduction to the essential moral theories Based on Russ Shafer Landau s best selling primer on ethical theory The Fundamentals of Ethics this briefer volume retains the longer one s content advantage over competing books by addressing issues that other texts omit including the good life value theory natural law and prima facie duties It also incorporates discussion questions and case studies at the end of each chapter giving students the opportunity to apply ethical theories to real world moral problems A perfect companion to Shafer Landau s anthology The Ethical Life this volume s compact size and low price make A Concise Introduction to Ethics an ideal complement to any course where it is important that students understand moral theories

The Book Review Digest, 2006

The Top Books of the Year Ethical Life Shafer Landau Final The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
