[Excuses Begone! \(Volume 2 of 2\) \(EasyRead Super Large 24pt Edition\)](#) ,     *Excuses Begone!* Dr. Wayne W. Dyer, 2012-05-01 Dr Wayne W Dyer reveals how to change the self defeating thinking patterns that have prevented you from living at the highest levels of success happiness and health Even though you may know what to think actually changing those thinking habits that have been with you since childhood might be somewhat challenging If I changed it would create family dramas I m too old or too young I m far too busy and tired I can t afford the things I truly want It would be very difficult for me to do things differently and I ve always been this way may all seem to be true but they re in fact just excuses So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light In this groundbreaking work Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone along with ways to cast them aside once and for all You ll learn to apply specific questions to any excuse and then proceed through the steps of a new paradigm The old habituated ways of thinking will melt away as you experience the absurdity of hanging on to them You ll ultimately realize that there are no excuses worth defending ever even if they ve always been part of your life and the joy of releasing them will resonate throughout your very being When you eliminate the need to explain your shortcomings or failures you ll awaken to the life of your dreams **Excuses Begone**     [Excuses Begone](#) Dr. Wayne Dyer,     [The Essential Wayne Dyer Collection](#) Dr. Wayne W. Memories of Heaven Dr. Wayne W. Dyer, Dee Garnes, 2020-02-25 In the popular vein of *Heaven Is for Real* and now available in paperback *Memories of Heaven* written by 1 New York Times best selling author Dr Wayne W Dyer and friend and collaborator Dee Garnes collects astonishing real life stories of children who vividly remember heaven from the time before they were born Dr Wayne W Dyer and co author Dee Garnes had often talked about how the ones who know the most about God are those who have just recently been wrapped in the arms of the Divine our infants and toddlers In fact Dee had an interaction with her own young son that convinced her of this Curious about this phenomenon Wayne and Dee decided to issue an invitation to parents all over the world to share their experiences The overwhelming response they received prompted them to put together this book which includes the most interesting and illuminating of these stories in which very young children speak about their remembrances before they were born It seems that infants and toddlers often arrive here with memories of their lifetimes in the spirit world and frequently provide evidence of this to their immediate families They tell of dialogues with God give evidence that they themselves had a hand in picking their own parents speak about long deceased family members they knew while in the dimension of Spirit verify past life recollections and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm and even of times when telepathic communication took place as well as the ability to decide just when they would come here to Earth This fascinating book encourages parents and grandparents to take a much more active role in communicating with their new arrivals and to realize that there is far more to this earthly experience than what we perceive with our five senses

Living an Inspired Life Dr. Wayne W. Dyer, 2016-03-01 What I m offering in this book is the awareness that we can return to a full time position of inspiration which is the true meaning of our life Dr Wayne W Dyer There s a voice in the Universe entreating us to remember our purpose our reason for being here now in this world of impermanence The voice whispers shouts and sings to us that this experience of being in form in space and time has meaning That voice belongs to inspiration which is within each and every one of us The feelings of emptiness the idea that there must be something more wondering Is this all there is and trying to determine the meaning of life this is all evidence of a yearning to reconnect with our soul space We re aching for our calling to be felt and expressed In *Living an Inspired Life* previously published under the title *Inspiration* Dr Wayne W Dyer explains how we ve chosen to enter this world of particles and form From our place of origin in ways that we don t readily comprehend now we knew what we were coming here to accomplish and we participated in setting this life process in motion So why not think along these same lines Why put the responsibility or blame on any one or any thing that s not a part of us On Earth we have the capacity of volition we can choose so let s assume that we had the same capacity when we resided in the spiritual realm We chose our physical body and we chose the

parents we needed for the trip It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source Inspiration can be cultivated and be a driving force throughout life rather than showing up every now and then and just as mysteriously disappearing seemingly independent of our desires Inspiration is for everyone It isn't reserved for high profile creative geniuses in the arts and sciences it's inherent in our Divine birthright The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished As you read each chapter in this book you'll find specific suggestions for living in Spirit From a very personal viewpoint Wayne offers a blueprint through the world of inspiration your ultimate calling *I Can See Clearly Now* Dr. Wayne W.

Dyer, 2015-02-24 For many years Dr Wayne W Dyer's fans have wondered when he would write a memoir Well after four decades as a teacher of self empowerment and the best selling author of more than 40 books Wayne has finally done just that However he has written it in a way that only he can with a remarkable take home message for his longtime followers and new readers alike and the result is an exciting new twist on the old format Rather than a plain old memoir Wayne has gathered together quantum moment recollections In this revealing and engaging book Wayne shares dozens of events from his life from the time he was a little boy in Detroit up to present day In unflinching detail he relates his vivid impressions of encountering many forks in the road taking readers with him into these formative experiences Yet then he views the events from his current perspective noting what lessons he ultimately learned as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service As a reader you will feel as if you are right there with Wayne perusing his personal photo album and hearing about his family his time in the service how he writes his best selling books and so much more In the process you'll be inspired to look back at your own life to see how everything you have experienced has led you to where you are right now Wayne has discovered that there are no accidents Although we may not be aware of who or what is moving the checkers life has a purpose and each step of our journey has something to teach us As he says I wasn't aware of all of the future implications that these early experiences were to offer me Now from a position of being able to see much more clearly I know that every single encounter every challenge and every situation are all spectacular threads in the tapestry that represents and defines my life and I am deeply grateful for all of it *I Can See Clearly Now* is an intimate look at an amazing teacher but it also holds the key for seekers on a personal path of enlightenment Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses helping us accomplish the mission we came here to fulfill [Twelve Select Sermons](#) Dwight Lyman Moody, 1881 **Present Your Way to the**
