Letters to and from a Christian Mother and More Silas Dobbs McCaslin, 2011-10-10 Ethics morals and society in general have been spiraling downward for more than 50 years Life simply was different up through the 1940s and the decade that followed Christian thought today is discredited on the university campus and traditional Christian piety now is viewed by the majority of the public as old fashioned Postmodernism has become entrenched In Christian circles the question often is asked How does the unbeliever cope As believing Christians we know that the Word of God provides all of the answers Perhaps **LETTERS TO AND FROM A CHRISTIAN MOTHER AND MORE** will be of some assistance to both the believer and the unbeliever who as the parent of a young child or children or of young adult children must advise and counsel that child as they navigate through their religious social and academic decisions Dr Terry L Johnson stated that the letters are remarkable and show clearly what a devout and accomplished woman your mother was They are wise and devotionally rich and may deserve a wider readership From the Preface Dr Johnson continued Their literary quality was outstanding More importantly they were filled with sound shrewd bold Biblical counsel for her boys particularly in the years between the beginning of college and the birth of Si and Suzannes first child Carey I wanted to read more and became convinced that others particularly parents could benefit from hearing the strong counsel of a Christian mother to her beloved sons From the Foreword **Not a Tame Lion** Terry W. Glaspey, 1996 [The Annual American Catalog, 1906](#), 1907 *Romancing Your Child's Heart* Monte Swan, David Biebel, 2002 Parents can have awesome relationships with their children but it is not enough to fill them with Bible facts verses and demand of them certain desired

behaviors you must first capture their hearts When a child is young parents can impose their will When the child is older however if the parent hasn't won his heart all the force in the world will only serve to drive him farther and farther away How can parents win the hearts of their children It all starts with romance exactly as God woos us Not just another parenting book Monte Swan takes an entirely new approach to reaching the heart of a child the way of romance Desiring to lead their children to a relationship with God through Jesus Christ parents will learn the very best approach to open the hearts of their children Swan teaches parents how they can enter into the world of their children and give them not only what they long for but what they need an environment of total love and security from which they can conquer the challenges life has to offer He demonstrates how any parent can turn the tables on the world and romance the hearts of their children to the love of God With practical advice in real life parenting situations Swan equips parents first with the enthusiasm for the challenge ahead and then with concrete ways to win the heart of any child
