Libro Execution Premium:

The Execution Premium Robert S. Kaplan, David P. Norton, 2008 The authors describe a multistage system that enables you to gain measurable benefits from your carefully formulated business strategy Drawing on extensive research and detailed case studies from a broad array of industries they present a systematic framework for achieving the financial results promised by your strategy

The execution premium Robert S. Kaplan, David P. Norton, 2008-10-28 Hoy en d a parece que las empresas exitosas tienen un sistema para todo De la adquisición de nuevos clientes a la gestión de la relación con el cliente de la gestión de calidad a la medición del desempeño los líderes de la industria han comprendido que instaurar procesos sistemáticos reduce el riesgo evita la imprevisión y garantiza las mejores posibilidades de obtener buenos resultados Sin embargo la mayoría de las empresas aún no ha desarrollado un sistema para gestionar su proceso más importante cómo desarrollar y ejecutar sus estrategias En The Execution Premium Robert Kaplan y David Norton demuestran que las empresas que utilizan un sistema formal de implementación de la estrategia sin duda superan a sus pares Los autores sostienen que si bien ya existen muchas de las herramientas necesarias para implementar una estrategia con efectividad no se ha desarrollado todavía un marco que relacione los diversos elementos inherentes a esa implementación En esta obra crean un sistema de gestión integral y novedoso que las empresas pueden utilizar para sustentar una ejecución estratégica de vanguardia

Summary: The Execution Premium Businessnews Publishing, 2016-09-16 The must read summary of Robert Kaplan and David Norton's book The Execution Premium Linking Strategy to Operations for Competitive Advantage This complete summary of the ideas from Robert Kaplan and David Norton's book The Execution Premium explains that the concept of an execution premium is the extraordinary value which gets created by an organisation when it clarifies its strategy and then demonstrates an ability to follow through and execute that strategy in the marketplace The execution premium may be manifested in several different ways as an increase in the company's share price in greater revenues in broader brand recognition as enhanced customer loyalty or in terms of greater employee commitment In their book the authors explain the six stages that are required to link strategy formulation systematically and consistently with operational execution Added value of this summary Save time Understand key concepts Expand your knowledge To learn more read The Execution Premium and improve your company's ability to effectively execute strategies

Summary: The Execution Premium BusinessNews Publishing, 2014-10-28 The must read summary of Robert Kaplan and David Norton's book The Execution Premium Linking Strategy to Operations for Competitive Advantage This complete summary of the ideas from Robert Kaplan and David Norton's book The Execution Premium explains that the concept of an execution premium is the extraordinary value which gets created by an organisation when it clarifies its strategy and then demonstrates an ability to follow through and execute that strategy in the marketplace The execution premium may be manifested in several different ways as an increase in the company's share price in greater revenues in broader brand recognition as enhanced customer
