Hållbart jämställdhetsarbete i förskolan och skolan i Norden Mia Heikkilä, Nordisk Ministerråd, Nordisk Råd, 2013-09-23

Den här studien förmedlar kunskap om hur lärare i förskolor och skolpersonal arbetar med jämställdhet i ett antal förskolor och skolor i de nordiska länderna och självstyrande områdena. Boken lyfter fram flera intressanta exempel som inspiration till jämställdhetsarbete i förskolan och skolan. Bokens grund är en nordisk studie av praktiskt jämställdhetsarbete som pågår eller har pågått under den senaste tiden. I boken finns konkreta exempel från alla nordiska länder och från de självstyrande områdena. Studiens resultat visar att framgångsfaktorer för jämställdhetsarbete i förskolan och skolan som analyserats fram kan ses som tre olika steg. Stegen benämns privat steg, internt steg och externt steg. I boken förklaras vad dessa steg innebär och vilka krav som ställs på en förskola eller skola för att uppnå de olika stegen. De här stegen kan både ses som en sammanfattning av resultatet av studien men också ses ett verktyg för arbete framåt. Målet är att du som läser boken ska inspireras till att påbörja eller fortsätta det lokala arbetet på den egna skolan eller den egna enheten med hjälp av nordisk inspiration.

Gjestelisten

Lucy Foley, 2021-03-05 En moderne Agatha Christie I denne boken får vi bli med på bryllupsfesten fra helvete. På en utenfor irske kysten skal rettskjendisbryllup gå av stabelen. Brudgommen er en sjarmende og kjekk tv-stjerne og bruden en dyktig magasinredaktør. Alt er perfekt, kjolen, stedet, maten, det eneste som ikke samarbeider er været. I stedet for den strålende sommerdagen som er spådd trekker det opp til storm. Og i kjølvannet av stormen kommer gammelt nag til overflaten. Det blir raskt slutt på en hyggelig gjensforening og det viser seg at under den polerte overflaten syder det av sjalusi, misunnelse og hevntanker. Etter et beleilig strømbrydd dukker det opp et lik. Hvem er det som ikke ønsker brudeparet hell og lykke? Og hva er årsaken?

School Evaluation with a Purpose

Eli Ottesen, Fiona Stephens, 2018-10-25 School evaluation is often linked to issues of accountability, performance assessment, regulation and inspection where the work of teachers and/or the functioning of the school becomes the subject of critique. School Evaluation with a Purpose explores the latest thinking surrounding external and self-evaluation in schools. Examining teacher professionalism, reflective practice and what really matters in education, it considers the key challenges around current evaluative practice and puts forward alternative methods of evaluation, placing reflective practice and teacher professionalism at its heart. Exploring the stories of evaluation and the practice of resilient schools and school leaders in five European contexts, the book aims to support and promote the agency of teachers, school leaders and students. This book will be of particular interest to school leaders internationally, researchers, masters students of Education and Education Leadership and policymakers responsible for law enforcement in the field of school inspection.

European Union Non-Discrimination Law and Intersectionality Anna Lawson, 2016-07-22 This book contributes to a critical reflection of current legislative and jurisprudential developments in Non Discrimination Law focusing on the European Union The book is focused on intersectionality between gender race and disability and the question of whether and to what extent this intersection can be adequately addressed in EU law The discussion rests on two basic assumptions First the multiplication of discrimination grounds in EU law and other legal regimes should not result in a dilution of the demands of equality law Accordingly the book focuses on the three key grounds race gender and disability These constitute nodes around which other discrimination grounds can be grouped Second any multi ground non discrimination law framework needs to engage with the question of discrimination on several grounds This book provides a critical evaluation of some of the problems presented by such intersectionality and an opportunity to explore the issues in depth This collection offers some new proposals relating to the regrouping of identity categories and to the general approach to socio legal research in the field It also contains a comparative section which expands on practical experiences with intersectionality and law and a section dedicated to juridical responses to intersectionality The book will be a valuable resource for researchers academics and those working in the area of EU non discrimination law and policy
