Prisoner Of Second Avenue Script:

"*All I wanna do is go the distance*" Philip L. Simpson, Kathy Merlock Jackson, 2025-08-22 If any film has gone the distance it's Rocky 1976 which spawned one of the longest running franchises in film history Released in America's bicentennial year Rocky based on an original screenplay by then unknown writer and actor Sylvester Stallone surprised everyone Shot on a shoestring budget by director John Avildsen the film became a blockbuster and Academy Award winning best picture In addition to spawning a lucrative franchise and spin offs Rocky propelled the careers of Stallone and Talia Shire raised interest in boxing and sports movies and placed Philadelphia and its architecture in the popular consciousness Rocky has always been a contested text raising questions about race gender and class in America as well as debate about genre storytelling and film art questions which are addressed at length in this rich collection of essays As the contributing scholars show Rocky and its sequels retain their power to rouse audiences well into the twenty first century and continue to inspire audiences athletes and filmmakers

The Drop Dead Funny '70s Dan Lalande, 2023-08-17 This work offers a critical examination of 130 commercially released film comedies of the 1970s It considers the socio political circumstances of each year of the decade then critiques each film released that year with a focus on its effect on the film industry and the art of big screen comedy as well as the emergence of talents whose work influenced or was influenced by the zeitgeist of the decade Covering popular titles like M A S H Blazing Saddles American Graffiti The Bad News Bears Smokey and the Bandit and many more it argues that the 1970s may rightly be considered the last golden age of film comedy
