

# ENVIRONMENTAL TOOLBOX TALKS

As part of our ongoing commitment to clients, RSK is offering a series of **FREE** toolbox talks for companies based in the Republic of Ireland.

Skills and knowledge transfer through training can help you achieve corporate health, safety and environmental goals, which are fundamental to your ability to stay competitive and profitable. Competent, capable and committed staff are vital to the successful delivery of each and every one of your projects.

The content of our presentation sessions and the delivery format can be tailored specifically to suit your organisational needs. These may include toolbox talks, brown bag lunches, management meetings, site meetings or workshops. The sessions can also be delivered as part of your wider CPD programme.

Examples of topics available:

- contaminated land in planning
- asbestos regulations
- challenge of waste management, including waste classification and site waste management plans (SWMP)
- sustainable and economical remediation technologies
- environmental due-diligence for site acquisitions
- environmental impact assessments, including archaeology, cultural heritage and ecology
- carbon management
- management systems implementation and support
- HSE compliance audits

Environmental liabilities and regulatory issues can be managed in a sustainable and efficient way. Our toolbox talks will help your employees and colleagues to understand environmental issues so that you can better advise your own clients. Understanding site-specific issues that may arise on a project will also help to avoid potentially costly delays and ensure that the right information is obtained at an early stage in the process.
