Everyman's Constitution Howard Jay Graham, 2013-05-31 In 1938 Howard Jay Graham a deaf law librarian successfully argued that the authors of the Fourteenth Amendment ratified after the American Civil War to establish equal protection under the law for all American citizens regardless of race were motivated by abolitionist fervor debunking the notion of a corporate conspiracy at the heart of the amendment's wording For over half a century the amendment had been used to endow corporations with rights as individuals and thus protect them from state legislation By 1968 when *Everyman's Constitution* was first published the Fourteenth Amendment had become a tool for the incorporation of the Bill of Rights to apply to all American citizens The essays in this reprinted edition are still relevant as the nation continues to interpret our framing legislation in light of the concerns of today and to balance citizens rights against those of corporations Howard Jay Graham was a law librarian brought in by the NAACP's legal team to write a brief on the Fourteenth Amendment for the Supreme Court case *Brown v Board of Education* Though the Supreme Court justices ruled in favor of the NAACP based on the sociological rather than historical evidence it provided Graham's work published in various law journals over several decades contributed greatly to the ongoing interpretation of the Fourteenth Amendment *Everyman's Land* C. **Proverbs- Everyman's Bible Commentary** Irving Jensen,1982-10-06 To think that the same God who spoke worlds into being who wrought redemption when man had fallen who shall bring in a new heaven and a new earth should stoop to give instruction for the very details of His creatures lives The Proverbs are as important as they are practical You are likely acquainted with the Proverbs but Irving L Jensen will help you study the entire text In this popular level commentary the well known Dr Jensen places the book of Proverbs in its historical setting and background and traces its development through exposition and accompanying charts

**Everyman's Psychology** John Adams,1929 *Everyman's Chemistry* Ellwood Hendrick,1917 **The Legitimacy of Poetic Reason** O. Bradley Bassler,2022-09-26 Many philosophical accounts of reason are geared toward providing rational justifications ex post facto rather than accounting for the role reason plays in actu in the process of creative work Moreover when in actu accounts of reason are given they are usually too narrow to describe the sort of high level creative work that is involved in the composition of poetry or the creation of a scientific theory This book suggests that the rudiments of a broader account are found in various German Idealist figures most notably the philosopher novelist critic Friedrich Schlegel and the philosophical poet and novelist Friedrich Hlderlin However German Idealism generally is subject to Hans Blumenberg s secularization critique which provides a strong prima facie argument that the accounts of poetic reason suggested by Schlegel and Hlderlin are indefensible This book argues that confronting Blumenberg s secularization critique and his associated legitimation of modernity with a romantic conception of poetic reason requires revisions on both sides and that

the work of Lacan is especially well suited to provide the conditions upon which a legitimation of poetic reason can be provided
