International Relations of Asia David Shambaugh, 2022-05-06 A 2023 Choice Reviews Outstanding Academic Title This is the most up to date and comprehensive volume on the international relations of Asia and the Indo Pacific The Asian region has become the fulcrum of international relations globally it is the most economically vibrant geostrategically significant socially and culturally diverse and militarily dangerous region in the world The world s leading great powers the United States and China jockey for primacy and vie for influence throughout the region while middle powers India Indonesia Japan and South Korea are extending their regional reach The ten member Association of Southeast Asian Nations ASEAN is collectively important in its own right but has also become the epicenter of US China regional competition While Australia New Zealand and the Pacific Islands largely operate in their own orbits Australia has assumed growing regional impact North Korea and Taiwan are both significant actors but they are also each tinderboxes of potential conflict While the region is geographically sprawling across the Indo Pacific it is tied together economically technologically and strategically No one working in or on Asia cannot afford to read this volume

EU-India Relations Philipp Gieg, Timo Lowinger, Manuel Pietzko, Anja Zürn, Ummu Salma Bava, Gisela Müller-Brandeck-Bocquet, 2021-02-27 India and the European Union bear a particular responsibility as international relations change not least because of the global COVID 19 pandemic the two largest democracies in the world have the unique potential to jointly demonstrate that trusting cooperation and mutual understanding are both indispensable and fruitful all the more so in the context of increasing national egoism and disregard for the fundamental principles of multilateralism This realisation is not new Believing in the necessity and mutual benefit of close cooperation India and the EU struck a strategic partnership in 2004 But resounding success in forging closer bilateral ties and promoting an inclusive rules based global order has proved elusive Since 2016 however the EU s Global Strategy has offered new opportunities for a restart of European foreign policy envisaging new partnerships and recalibrating existing ones On India s part too changing stances have presented new openings with New Delhi criticising protectionism and calling for a strengthening of multilateralism This timely book scrutinises the status quo and the future potential of revitalised EU India relations By exploring and analysing conceptual approaches to and key dimensions of the strategic partnership including trade climate policy and development cooperation it evaluates the prospects for future cooperation Lastly it offers policy recommendations for advancing the partnership between India and the EU

In Levittown's Shadow Tim Keogh,2023-11-03 Inverting the conventional history of American suburbanization Tim Keogh turns the spotlight from wealth and freedom to poverty and inequality Focusing on the archetypal Long Island communities of the postwar era Keogh shows that a key driver of suburban development and the segregation it embodied was not housing but employment Inequality and injustice were baked into suburban development but housing discrimination was a secondary expression of this not a primary cause As a result equity minded suburbs that focused on housing policy rather than employment opportunities were doomed to fail Keogh hopes to motivate more effective approaches to contemporary inequity by changing our understanding of how it took shape historically

India and EU Bhaswati Mukherjee,2018-10-02 A popular myth maintains that Indo EU relations are best viewed through the British prism This

disregards the historical evidence of Alexander's march to India and the Roman Empire's trade with India. In more recent times cultural icons like Satyajit Ray have been celebrated more in Paris than elsewhere. India's trade with EU especially in defence items is anchored to a greater extent in the continent rather than across the channel. Brexit is now going to take away that British prism. A fresh and in many ways a profound new Indo-EU relationship is about to emerge. Bhaswati Mukherjee's book *India and EU: An Insider's View* is timely. It traces the past, explains the present state of relationship in all its complexity and looks into the crystal ball. This is an objective assessment by a highly regarded professional of the successes as also the wrinkles of the past in the relationship as well as the practical steps for a more vigorous Indo-EU future. Written with great fluency, *India and EU: An Insider's View* fascinates with its vignettes, making it a unique and must-read book. *Bhaswati*, 2024. **Memoranda of Midnapore, 1852** H. V. Bayley, 1902. **Bhāsvatī** Taruṇakānti Mīśra, 2014. By an established Oriya author. **The Forest Wails** Bhaswati Parasar, 2021-07-29. Blending diverse genre elements, the book offers an innovative narrative structure to voice the fears and warnings of an apocalyptic end caused by the thoughtless destructions of nature. Interfusion of thrilling adventures in the forest, tales of romantic dalliances, passionate depiction of the splendors of nature, and the fine display of the local milieu makes the otherwise serious theme of the book an irresistible read. The book poses an unswerving witness of the author of an era in the city of Guwahati and the foreboding dangers that lurks on its people. The ceaseless developments done at the costs of the forests, the hills, and the wetlands are turning us the helpless witness to the clashes of the forest man and the city. Bringing within its purview the various ecological concerns combined with the callous, thoughtless actions of the political leaders, corrupt government official, and the ignorance and carelessness of common people, the book traces all the nemeses that lead to the annihilation of the ecological balance. The emotional fervor, the personal appeal, the tiny special narratives within the bigger framework of the book, the swiping panorama of the city, and the beckoning to a nostalgic past of a bygone green era of the narrator gives the book its distinctive flavor. *Pratidin Ayurveda* Bhaswati Bhattacharya, 2018-11-23. Time is scarce and precious in today's world, and we seek solutions that are quick. While allopathic medicine tends to focus on the management of disease, the ancient study of Ayurveda provides us with holistic knowledge for preventing disease and eliminating its root cause. Dr. Bhaswati Bhattacharya takes you through a day in the life of Ayurvedic living.
