Class And Economic Change In Kenya:

Class and Economic Change in Kenya G. N. Kitching, 1980-01-01 This historical analysis is followed by a theoretical discussion of its implications for such issues as the mode of production operative in Kenya the type of class analysis which is appropriate for the country the role of the state in capital accumulation and class formation and the possible relevance of Marxist value theory to the analysis of exploitation in Kenya This book sets new standards for the study of the process of drift into dependency and of the role of the state in the direction of a political economy It will be invaluable not only to Africanists but to all those involved in the study of the social political and economic structure of Third World countries
