and Courtney Summers s Sadie this dark and twisted mystery set in a divided Maine seaside town simmers with unresolved  
tensions and unpredictable truths Everyone in Tenney s Harbor knows about the Garrison tragedy How an unexplained fire  
ravaged their house killing four of the five family members But what people don t know is who did it All fingers point at Pearl  
Haskins father who was the caretaker of the property but Pearl just doesn t believe it Leave it to a town of rich people to  
blame the help With her disgraced father now trying to find work in between booze benders Pearl s future doesn t hold much  
more than waiting tables at the local country club where the wealthy come to flaunt their money and spread their gossip This  
year Tristan the last surviving Garrison and his group of affluent and arrogant friends have made a point of sitting in Pearl s  
section Though she s repulsed by most of them Tristan s quiet sadness and somber demeanor have her rethinking her  
judgments Befriending the boys could mean getting closer to the truth clearing her father s name and giving Tristan the  
closure he seems to be searching for But it could also trap Pearl in a sinister web of secrets lies and betrayals that would  
leave no life unchanged if it doesn t take hers first **Metronome** ,1958 *Musical Standard* ,1926 **American
