G John Berger:

G. John Berger, 1992-01-08 In this luminous novel winner of Britain's prestigious Booker Prize John Berger relates the story of G a young man forging an energetic sexual career in Europe during the early years of this century With profound compassion Berger explores the hearts and minds of both men and women and what happens during sex to reveal the conditions of the Don Juan's success his essential loneliness the quiet cumulation in each of his sexual experiences of all of those that precede it the tenderness that infuses even the briefest of his encounters and the way women experience their own extraordinariness through their moments with him All of this Berger sets against the turbulent backdrop of Garibaldi and the failed revolution of Milanese workers in 1898 the Boer War and the first flight across the Alps making G a brilliant novel about the search for intimacy in history's private moments

About Looking John Berger, 1992-01-08 As a novelist art critic and cultural historian Booker Prize winning author John Berger is a writer of dazzling eloquence and arresting insight whose work amounts to a subtle powerful critique of the canons of our civilization In *About Looking* he explores our role as observers to reveal new layers of meaning in what we see How do the animals we look at in zoos remind us of a relationship between man and beast all but lost in the twentieth century What is it about looking at war photographs that doubles their already potent violence How do the nudes of Rodin betray the threats to his authority and potency posed by clay and flesh And how does solitude inform the art of Giacometti In asking these and other questions Berger quietly but fundamentally alters the vision of anyone who reads his work

lean beauty of his prose and the keenness of his anger against injustice move us to view the world with a new lens of awareness Whether he is discussing the singleminded intensity of Picasso s Guernica the parallel violence and alienation in the art of Francis Bacon and Walt Disney or the enigmatic silence of his own mother what binds these pieces throughout is the depth and fury of Berger s passion challenging us to participate to protest and above all to see **And Our Faces, My Heart, Brief as Photos** John Berger,1992-01-08 Booker Prize winning author John Berger reveals the ties between love and absence the ways poetry endows language with the assurance of prayer and the tensions between the forward movement of sexuality and the steady backward tug of time He recreates the mysterious forces at work in a Rembrandt painting transcribes the sensorial experience of viewing lilacs at dusk and explores the meaning of home to early man and to the hundreds of thousands of displaced people in our cities today And Our Faces My Heart Brief as Photos is a seamless fusion of the political and personal The Shape of a Pocket John Berger,2009-09-09 From Booker Prize winning author John Berger a collection of essays that explores the relationship of art and artists and includes examinations of the work of Brancusi Degas Michelangelo and Frida Kahlo among others The pocket in question is a small pocket of resistance A pocket is formed when two or more people come together in agreement The resistance is against the inhumanity of the New World Economic Order The people coming together are the reader me and those the essays are about Rembrandt Paleolithic cave painters a Romanian peasant ancient Egyptians an expert in the loneliness of a certain hotel bedroom dogs at dusk a man in a radio station And unexpectedly our exchanges strengthen each of us in our conviction that what is happening in the world today is wrong and that what is often said about it is a lie I ve never written a book with a greater sense of urgency John Berger

Native Informant Leo Braudy,1991 Native Informant is Leo Braudy s first book after his widely acclaimed and award winning history of fame The Frenzy of Renown With a verve that breaks down the boundaries between film literature and popular culture Braudy discusses writers and filmmakers such as Alfred Hitchcock Daniel Defoe Ernst Lubitsch Emile Zola Susan Sontag and Richard Condon His subjects include madness in the eighteenth century the Hollywood blacklist westerns and pornography Throughout this lively and insightful collection his perspective is not that of the critic as a detached voice of professional authority but as a member of a particular culture a native informant whose gaze looks simultaneously inward and outward subjective but self aware Like the wide ranging Frenzy of Renown Native Informant will appeal to specialist and interested reader alike **Photocopies** John Berger,1996 Like a photographer with his camera John Berger uses words to capture moments preserving them denying their inherent transience A passing encounter an almost unnoticed gesture a brief pause Berger observes and transcribes them and in so doing uncovers the extraordinary heart of the ordinary This collection of stories brings a richly imagined landscape of elusive and ephemeral moments into eloquent existence Keeping a
