Norfolk and Western Railway Company

General Safety Quiz Questions And Answers:

Agricultural Safety and Health ,1992 Performing Fear in Television Production Siao Yuong Fong,2025-10-01 What goes into the ideological sustenance of an illiberal capitalist democracy While much of the critical discussion of the media in authoritarian contexts focus on state power the emphasis on strong states tend to perpetuate misnomers about the media as mere tools of the state and sustain myths about their absolute power Turning to the lived everyday of media producers in Singapore this book poses a series of questions that explore what it takes to perpetuate authoritarian resilience in the mass media How in what terms and through what means does a politically stable illiberal Asian state like Singapore formulate its dominant imaginary of social order What are the television production practices that perform and instantiate the social imaginary and who are the audiences that are conjured and performed in the process What are the roles played by imagined audiences in sustaining authoritarian resilience in the media As argued in the book if audiences function as the central problematic that engenders anxieties and self policing amongst producers can the audience become a surrogate for the authoritarian state
