

Hansel and Gretel script

Narrator , father, mother, Gretel , Hansel, witch.

NARRATOR

Once upon a time there lived a poor woodcutter and his wife. They had two children, Hansel and Gretel. A great dearth had fallen upon the land — dearth meaning famine — and the woodcutter could not find daily bread for his family.

Late one night, the father couldn't sleep due to worry and hunger.

FATHER

What am I to do? How can we feed the poor children when there is not even enough for ourselves?

MOTHER

Early tomorrow morning we will take the children deep into the forest. We will build them a fire, give them each a piece of bread and then go to our work.

They won't be able to find their way home and we shall be rid of them.

FATHER

I can't do that! The wild animals will eat them.

MOTHER

You fool! Then all of us shall die of hunger. Just start building our coffins then.

NARRATOR

The mother gave the father no rest on the subject until he finally agreed to her plan.

FATHER

But I'm still going to feel very sorry for the poor children.

NARRATOR

Now, Hansel and Gretel were also awake from hunger during that night, and they heard the plan to leave them in the forest.

GRETEL

Whatever shall we do?

HANSEL

Hush, Gretel. Let them fall asleep. I have a plan.

Hansel and Gretel Nick Pegden,2022-11-30 There is a great famine in the country and the woodcutter s family is starving His wife suggests to take

their kids they are his and his late first wife's children into the woods so they would have two hungry mouths less to feed. After some hesitation he agrees and they leave kids in the wood. Hansel and Gretel heard about the plan and return home thanks to the pebbles Hansel was using to mark the path. But at the next attempt Hansel can't load his pocket with pebbles because the doors were locked. Instead of stones he used bread crumbs but they are eaten by the birds so the woodcutter and his wife succeeded and children were lost in the woods. But they are too lean so she decides to feed Hansel first using Gretel as a slave and for some time children manage to postpone their tragic end. The Witch has very poor sight so she is checking Hansel's fat by pinching his finger. Instead of the finger he gives her a chicken bone what postpones his death for a few days. Finally the witch prepares an oven and plans to bake both kids. Fortunately Gretel outsmarts her and throws the witch in her oven where she is burned. With original songs and script for children aged 6 to 9 this dark exciting and wonderful traditional tale becomes alive on stage.
