Jasmine Bharati Mukherjee,1999 After the assassination of her husband seventeen year old Jasmine leaves India to live with a middle aged banker in a small Iowa town only to retain some of the traditions and memories of the past *Jasmine* Bharati Mukherjee,1989 **Jasmine** Bharati Mukherjee,1991 Jasmine a young widow in India moves to the United States to begin a new life **Violence and Rebirth - Bharati Mukherjee's Jasmine. An Analysis** Jennifer Koss,2010-04-20 Seminar paper from the year 2007 in the subject English Language and Literature Studies Literature grade 2 0 Ruhr University of Bochum language English abstract Bharati Mukherjee s novel Jasmine is a story of an Indian woman beginning with her birth and early life in a little town in India over the emigration to the USA and finally to herself and what it means to become an American The eponymous narrator in Jasmine also known as Jyoti Jase or Jane passes through one situation and country to another and so is her inner self reborn several times towards a higher level until she finally seems to have found a place to rest Throughout the novel Jasmine experiences numerous situations that bring violence with them She is not always the subject of these situations but they are always connected with her It is not only physical violence experienced but also mental violence that influences Jasmines further way of life and forces her to be reborn as a different person The rough pictures that Mukherjee draws of violent moments reflect the psychological pain that comes with the changes of culture and life that Jasmine experiences The paper will deal with these moments and analyze them according to their meaning for Jasmine *Bharati Mukherjee's "Jasmine"* Marc Bohnes,2012-08-20 Seminar paper from the year 2010 in the subject American Studies Literature grade 1 0 Bielefeld University language English abstract This paper aims at providing a concise overview about the very way the concept of identity is presented in the novel Jasmin by Bharati Mukherjee [A Study Guide for Bharati Mukherjee's Jasmine](#) Gale, Cengage Learning,2015-09-24 A Study Guide for Bharati Mukherjee s Jasmine excerpted from Gale s acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs **A Study Guide for Bharati Mukherjee's Jasmine** Cengage Learning Gale,2015 *New York Magazine* ,1989-09-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Bharati Mukherjee's Fiction** Sushma Tandon,2004 [The Journey Motif in Bharati Mukherjee's Jasmine](#) Natasha Lavigilante,2008 *Indian Writers* Jaspal Kaur Singh,Rajendra Chetty,2010 Indian Writers attempt to locate diasporic voices in the interstitial spaces of countless ideologies The anthology provides a critical examination of dislocated diasporic subjects those who have adjusted to the dislocation well those who have chosen the

hybrid spaces for empowerment those who are dragged forcefully to various territories and yet those who gleefully inhabit trans local spaces A wide range of voices raise these critical questions How do we read these voices How are the voices received in various locations Are these voices considered Indian Do they represent Indianness or some hybridized version of it What is an authentic cultural identity What ultimately is Indianness or for that matter any hard won national or ethnic identity Additionally as more female writers are being read both in the global south and in the north the reception of these texts particularly in an era of globalization and in the aftermath of the 9 11 attack in the United States raises questions on how the other the subaltern is represented and read Some writers use an assimilationist approach to the cultures of the West to such a degree that they find Indian culture monolithically oppressive while others continue to romanticize Indianness yet others eroticize and ethnicize the east for western consumption The authors of the essays in this anthology examine contemporary debates in postcolonial and transnational literary criticism in an attempt to understand the often complex and hybrid narratives of the diasporic Indian subject
