Silence John Cage,1995 *No Such Thing as Silence* Kyle Gann,2010-02-19 First performed at the midpoint of the twentieth century John Cage s 4 33 a composition conceived of without a single musical note is among the most celebrated and ballyhooed cultural gestures in the history of modern music A meditation on the act of listening and the nature of performance Cage s controversial piece became the iconic statement of the meaning of silence in art and is a landmark work of American music In this book Kyle Gann one of the nation s leading music critics explains 4 33 as a unique moment in American culture and musical composition Finding resemblances and resonances of 4 33 in artworks as wide ranging as the paintings of the Hudson River School and the music of John Lennon and Yoko Ono he provides much needed cultural context for this fundamentally challenging and often misunderstood piece Gann also explores Cage s craft describing in illuminating detail the musical philosophical and even environmental influences that informed this groundbreaking piece of music Having performed 4 33 himself and as a composer in his own right Gann offers the reader both an expert s analysis and a highly personal interpretation of Cage s most divisive work
