Open Her Karen Brody,2014-02-24 Open Her teaches a man how to embody 7 Masculine Archetypes to engage his woman in a deeper more passionate dance of love Each archetype brings a power and a gift a secret key to his woman s love and desire Open Her will inspire a man to love his masculinity and to know the power it holds to open a woman to ever deepening states of pleasure and love **Summary of Karen Brody's Open Her** Everest Media,2022-06-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I met Chris at a party and I was instantly attracted to his eyes I was drawn to his intense focus and his openness I felt as if I could tell him anything and he would hear me We made a date for a few days later and he took me to a water reserve set in a dramatic canyon 2 Chris took photos of me while I was standing completely naked He then took me on a hike where we met up with some friends When we got back to Chris s place he asked if I wanted a hot bubble bath I was nervous but excited 3 It is hard to describe how good it feels for a woman to open to a man It is a form of ecstasy to want so passionately that there is nothing else I had that feeling that night with Chris 4 The Artist is the easiest archetype for men to identify with because men are typically visual When you see a woman you want to see her appreciate her and enjoy her company When you see a woman but don t see her as a sexual object but as a person with a beautiful soul you have the power to affect how she feels about herself and how she moves and flows in the world Southern California Law Review ,1991 *Press Summary - Illinois Information Service* Illinois Information Service,1997 Forthcoming Books Rose Army,1999 *Heart and Soul and Almost Heaven* Jillian Hart,2007-05-08 Undercover agent Gabe Brody hated the deception that had brought him into Michelle McKaslin s life And he could only pray that this very special woman could find a place for him in her heart once she found out who he really was
