Kendo Training Guide:

Kendo Geoff Salmon, 2013-05-28 Master the art of Kendo Japanese Swordsmanship with this illustrated and comprehensive martial arts guide Kendo or the Way of the Sword holds a special place within the martial arts as one of the few practices tracing back directly to Japan's ancient samurai heritage Modern students flock to kendo for physically and mentally challenging activity that combines traditional martial arts values with strenuous physical activity Author Geoff Salmon has over 40 years of kendo experience gained in and outside of Japan His goal in this kendo guide is to dispel many misconceptions about the sport and to make kendo training accessible and effective for anyone His simple straightforward writing style is especially helpful for beginning students and martial artists from other disciplines who wish to add kendo training to their repertoire The core of this kendo book is a series of detailed instructional sequences demonstrating the basic kendo techniques The author also presents the fundamental principles and philosophy that make kendo as much an exercise of the mind as of the sword For many adherents the goal is to train your mind to achieve a state of mushin no mind Beyond that this book also shows you how to win competitions and integrate kendo into your personal fitness routines This is the first book to clearly link the philosophical and mental elements of kendo to the physical techniques thereby enabling readers to gain a holistic understanding of the martial art It offers a comprehensive training program similar to those given by leading kendo teachers in Japan past and present

[Kendo Guide for Beginners](#) Masahiro Imafuji, 2011-08-27 Kendo Guide for Beginners is a book written to guide kendo beginners The book introduces what real kendo equipment is the concept of kendo as budo how to behave at training etiquette and manners and all the basic movements that beginners should learn thoroughly Along with many pictures of the kendo basics the detailed explanations will help you understand what you should or should not do when learning the basics When learning kendo movements it is always helpful if you actually see what you have to do or not to do And it is important for you to visualize the correct movements With the pictures and detailed explanations it makes it easy for you to review what you learned at your dojo Practicing at the dojo and home you will improve your basics your kendo correctly and quickly This is a great advantage because by acquiring the good basics you can move on to the next step easily putting a set of armor on With your solid basics you will have fewer difficulties when you get a set of armor That's why all the kendo people tell you to learn the basics thoroughly You can learn the reasons behind the etiquette manners in detail with this book And if you learn the etiquette manners in detail you are also learning Japanese culture too Even though the Japanese society is modernized a lot of the etiquette manners are still following the rules of the samurai era By knowing the etiquette and manners you will be able to understand what's going on at the dojo easily And more importantly you will NOT offend other people especially Japanese people because of a lack of the knowledge Since the book is written by a Japanese person all the kendo terms are correctly spelled so you will learn correct kendo terms With this book you can learn all you have to know at the beginning of kendo as a beginner and it makes your kendo life a lot easier
