Marine Biology

Peter Castro
Michael E. Huber

A vibrant, glowing jellyfish is the central focus of the cover. The jellyfish has a large, bell-shaped top that transitions from a bright yellow at the center to a deep orange at the edges. Its tentacles are long, thin, and translucent, with a pale greenish-blue hue. The jellyfish is set against a dark background, with a soft, greenish-blue light emanating from behind it, creating a glowing effect. The overall composition is centered and visually striking.
