somewhat surprisingly even its employees Willis talks about advertising circulation and marketing strategies and how to deal with competition from TV the suburban weeklies and labor unions He looks at the editor as a people manager something that more than one tradition bound editor has been unable to do for himself The book has sample budgets and organizational charts and even a discussion of the relative merits of adult vs youth carriers Newspaper Research Journal Professor Jim Willis book is a nicely condensed overview of the newspaper as a business Though it is aimed at journalism students enrolled in newspaper management classes it is also worthwhile reading for the curious reporter or copy editor who knows little about how newspapers make and spend money The book is sprinkled with good common sense about balancing newspapers as a business against newspapering as good journalism Professor Willis makes a gallant attempt to make sure students understand that though the newspaper must make a profit to survive it will never truly excel unless it produces a good news editorial product ASNE Bulletin Surviving in the Newspaper Business is a how to do it guide to newspaper management for the 1980s and beyond It presents a set of unified principles for successful management and exposes the student to the primary mission of the newspaper to deliver a quality product to the depth and breadth of the marketplace Stressing the importance of the total newspaper concept Willis portrays the successful newspaper as integrated internally among departments and externally with its readership and advertisers In addition he analyzes the newspaper s industrial environment discusses management survival strategies considers business and finance plans and assesses organizational behavior in the newsroom Included are a series of hands on case studies offering further insights into topics discussed

*Strategic Newspaper Management* Conrad C. Fink, 1988 The time is right for bright aggressive newspaper managers to influence and prosper but bleak indeed for those newspapers whose managers lack the requisite knowledge Using case studies and examples from the business Fink shows why some newspapers change with the times and surge ahead and why some continue to publish to an eroding market base and fail The difference between success and failure he concludes is in long range planning and in daily operating methodology in simply the professionalism of management at all levels The Washington Newspaper, 1921 **Marketing Strategy** Robert W.
