LEGENDS of MAUI - 15

Polynesian Legends from the Hawaiian Islands Anon E. Mouse, 2018-10-01 Within this unique volume are 15 legends of Maui Legends like MAUI THE FISHERMAN MAUI LIFTING THE SKY MAUI SNARING THE SUN and twelve more captivating stories and tales from antiquity from the Polynesian people of the South Pacific These legends are not only different from the myths of other nations but they are unique in the character of the actions recorded There are three centres for these legends New Zealand in the south Hawaii in the north and the Tahitian group in the east In each of these groups of islands separated by thousands of miles there are the same legends told in almost the same way and with very little variation in names and content However Maui s deeds rank in a higher class than most of the mighty efforts of the demi gods of other nations and races and are usually of more utility The Maui legends are full of helpful imaginations which are distinctly and

uniquely Polynesian in nature Here you will find adventures from the great voyages of discovery which carry fragments and hints of wonderful deeds The Maoris of New Zealand claim Maui as an ancestor of their most ancient tribes and class him as one of the most ancient of their gods calling him creator of land and creator of man even sometimes the sun himself the solar fire and the the sun god while his mother Hina was called the moon goddess NOTE MAUI Ma u i Ma oo e is a Polynesian demi god His name derives from Mohyi meaning causing to live or life applied sometimes to the gods and sometimes to chiefs as preservers and sustainers of their followers The Maui story probably contains a larger number of unique and ancient myths than that of any other legendary character in the mythology of any nation They also form one of the strongest links in the mythological chain of evidence which binds the scattered inhabitants of the Pacific into one nation They possess remarkable antiquity
