*Smart Global Megacities* T. M. Vinod Kumar, 2021-07-15 This book the first volume highlights 8 out of a total of about 36 megacities in the World which by definition have 10 million inhabitants The cities chapters presented in this book are based on recent advance such as the wide use of ICT IOT e Governance e Democracy smart economy and flattening and acceleration of the world that is taking place in recent times as reported by 3 times Pulitzer Prize Winner Thomas Friedman It therefor departs from other ideologies where only a certain megacity qualifies for the title of smart global megacities while in reality every megacity can and presents how smart global megacities can be created *Maximum City* Suketu Mehta, 2004 A native of Bombay Suketu Mehta gives us an insider s view of this stunning metropolis He approaches the city from unexpected angles taking us into the criminal underworld of rival Muslim and Hindu gangs following the life of a bar dancer raised amid poverty and abuse opening the door into the inner sanctums of Bollywood and delving into the stories of the countless villagers who come in search of a better life and end up living on the sidewalks *This Land Is Our Land* Suketu Mehta, 2024-03-26 A meticulously researched and deeply felt corrective laying bare the origins of mass migration in searing clarity Well argued cathartic Lauren Markham The New York Times Book Review A TIME MAGAZINE TOP TEN NONFICTION BOOK OF THE YEAR AN NPR STAFF PICK There are few subjects in American life that prompt more discussion and controversy than immigration But do we really understand it In *This Land Is Our Land* the renowned author Suketu Mehta attacks the issue head on Drawing on his own experience as an Indian born teenager growing up in New York City and on years of reporting around the world Mehta subjects the worldwide anti immigrant backlash to withering scrutiny As he explains the West is being destroyed not by immigrants but by the fear of immigrants Mehta juxtaposes the phony narratives of populist ideologues with the ordinary heroism of laborers nannies and others from Dubai to Queens and explains why more people are on the move today than ever before As civil strife and climate change reshape large parts of the planet it is little surprise that borders have become so porous But Mehta also stresses the destructive legacies of colonialism and global inequality on large swaths of the world When today s immigrants are asked Why are you here they can justly respond We are here because you were there And now that they are here as Mehta demonstrates immigrants bring great benefits enabling countries and communities to flourish Impassioned rigorous and richly stocked with memorable stories and characters *This Land Is Our Land* is a timely and necessary intervention and a literary polemic of the highest order A brilliant and urgently necessary book Salman Rushdie
